The 100 Ideas series offers teachers practical, easy-to-implement strategies and activities for the classroom. Each author is an expert in their field and is passionate about sharing best practice with their peers. Each title includes at least ten additional extra creative Bonus Ideas that won't fail to inspire and engage all learners.

_____ For students at secondary school, each day brings a different set of challenges to be faced, especially for the increasing number of young people diagnosed with autism. Not only do secondary students have to contend with the anxieties that come with adolescence, but they also have to learn to cope with increasingly difficult work across numerous subject areas and the added pressure of exams. This book helps teachers develop subtle learning strategies that will help create an inclusive, quality teaching environment where pupils with autism can be supported during this time of change. It breaks down the key areas of potential difficulty and offers step-by-step strategies, ideas, case studies, and links to resources in a style that is easy and accessible. Key topics include transition, assessment, anxiety, support, behaviour, social skills, and communication, and teasing and bullying. This is the ultimate troubleshooting guide that every secondary school teacher should have to hand.

Yoga Philosophy: A Simple Guide to Big Ideas Nova Martian, 2025-05-05 *Yoga Philosophy: A Simple Guide to Big Ideas* provides an accessible and comprehensive introduction to the profound wisdom at the heart of yoga. Embracing both ancient tradition and modern relevance, this guide demystifies yoga by tracing its roots from the earliest spiritual texts and oral traditions all the way to today's global landscape. Readers are gently led through the historical evolution of yoga with clear explanations of foundational concepts from sacred sources such as the Vedas, Upanishads, Bhagavad Gita, and the Yoga Sutras of Patanjali, as well as other influential texts that have shaped the practice through millennia. The book illuminates yoga's core philosophies, breaking down big ideas such as karma, dharma, moksha, samsara, and the interconnectedness of atman, the individual self, and brahman, universal consciousness. It presents the Eight Limbs of Yoga in practical terms, showing how ethical principles, physical postures, breathwork, concentration, and meditation collectively foster self-transformation, resilience,

and true inner freedom Each chapter thoughtfully addresses how these timeless precepts can be applied in contemporary life whether navigating relationships work or social responsibility making the text as inspiring as it is informative Designed to support lifelong learning Yoga Philosophy A Simple Guide to Big Ideas is also a practical resource filled with suggestions for personal practice overcoming obstacles mindful living and community engagement It includes guidance on building a sustainable routine reflecting through journaling and finding connection with teachers retreats or online platforms Whether you are a beginner or a seasoned practitioner this book offers a clear encouraging companion for anyone seeking to deepen their understanding of yoga and integrate its transformative teachings into everyday life
