Portland, OR 97201

Dear **Floyd Cremin**,

I am writing to express my genuine interest in the Senior Marketing Manager position at **Duofort**, as advertised. With an extensive background of years in the field of marketing, specializing in digital and content marketing, I am eager to bring my skills and expertise to your esteemed technology company and contribute to its ongoing success.

Throughout my professional journey, I have played a pivotal role in conceiving and executing high-impact marketing campaigns, resulting in a significant upswing in brand visibility and elevated customer engagement rates. My commitment to a data-driven marketing approach has consistently delivered tangible results, resonating particularly well with our tech-savvy clientele. The experience and knowledge I have garnered over the years uniquely position me to drive **Duofort's** marketing strategy and augment its presence in the dynamic tech market.

I am impressed by **Duofort's** dedication to innovation, a value that closely aligns with my vision of crafting marketing strategies that defy convention. I am confident that my proficiency and track record in developing and implementing successful marketing initiatives will contribute significantly to **Duofort's** continued growth.

I am eager to discuss in further detail how my skills and experiences align with the needs of **Duofort**, and how I can contribute to the achievement of its goals. I look forward to the opportunity to demonstrate how my strategic approach and leadership abilities can be valuable assets to your remarkable brand.

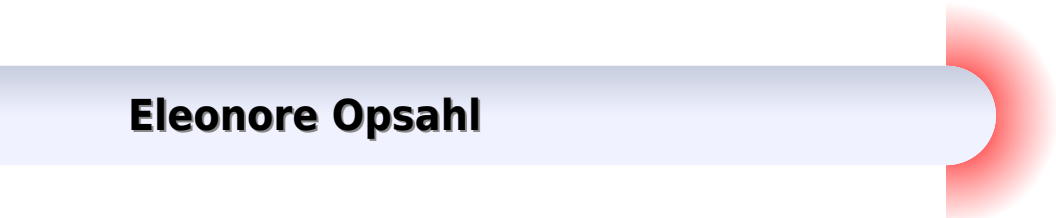

Thank you for considering my application. I look forward to the possibility of discussing my candidacy further.

Sincerely,

Signature

How to Write a Cover Letter for a Job Application That Will Blow Their Mind Isaac Scott,2010-04-19 If you are considering changing your career or applying for a new job you should not underestimate the importance of the cover letter A good cover letter can be the difference between your potential employer reading your resume or not Learn how to write a cover letter for a job application that will blow their mind Stop having your resume passed up and start standing out from the

crowd The Complete Idiot's Guide to the Perfect Cover Letter Susan Ireland,1997 Provides advice on creating effective cover letters and includes sample cover letters for such situations as following up a job interview thanking someone for a job offer and requesting information *Step-by-step Cover Letters* ,2006 *How To Write Amazing Cover Letters* The Hyperink Team,2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn't until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important as a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you've spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don't hesitate to contact us Happy reading EXCERPT FROM THE BOOK You've probably figured out a few mistakes to avoid already but you'd probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don't bother to spell check before sending out the cover letter and resume It's always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don't know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won't make an impression on the reader Don't just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren't meant as a tool to repeat everything that's in your resume It's a tool to build on it and an opportunity to correlate your experience with the job you're applying for Include any training classes awards and recognition you've received in the past that might give you an edge over the competition Buy a copy to keep reading **Cover Letter Secrets** Marc Zelley,2018-05-17 In applying for a job you need to know what a cover letter is so that you would be able to recognize its importance The cover letter is actually the same as the letter of application letter of introduction as well as a transmittal letter It is a letter that should always accompany the applicant's resume since not too many employers would consider an application without it **Vault Guide to Resumes, Cover Letters & Interviews** Howard Leifman, Marcy Lerner, Vault (Firm),2003 From writing top notch resumes and sending
