Salyer McElmurray's raw poignant account of her journey from her teen years when she put her newborn child up for adoption to adulthood and a desperate search for the son she never knew In a patchwork narrative interwoven with dark memories from her childhood McElmurray deftly treads where few dare into a gritty honest exploration of the loss a birth mother experiences The year was 1973 a time of social upheaval even in small town Kentucky where McElmurray grew up More than a story of time and place however this is about a girl who at the age of sixteen relinquished her son at birth Twenty five years would pass before McElmurray began sharing this part of her past with others and actively looking for her son McElmurray's own troubled upbringing and her quest after a now fully grown son are the heart of her story With unflinching honesty McElmurray recounts both the painful surrendering and the surprise rediscovery of her son juxtaposed with her portrayal of her own mother who could not provide the love she needed The dramatic result is a story of birthright lost and found and an exploration of the meaning of motherhood itself **Organic Light-Emitting Diodes (OLEDs)**
