Dear Customer Service,

I am writing to request a full refund for my cancelled flight, BA 443, on February 4, 2020. I understand that you are offering a voucher and a gesture of goodwill, but I would prefer my money returned for the cost of my ticket.

I have been a loyal customer of your airline for many years and have always been satisfied with your service. However, I am very disappointed with the way my recent flight was handled. I was not given any advance notice of the cancellation, and I was forced to make alternative arrangements at the last minute. This has not been a good day of inconvenience and expense.

Thank you for your time and consideration. I am confident that the problem I experienced is an isolated case and I am not making a habit of my complaint for your reference.

Thank you for your time and consideration.

Sincerely,
Emma
