and love Stories that could change the status quo Welsh takes readers across North America and into Europe on a whirlwind tour of facilities with novel approaches to community living including a day program in a fake town out of the 1950s a residence where seniors school their student roommates in beer pong and an aging in place community in a forest where everyone seems to have a pet or a garden or both The COVID 19 pandemic cruelly showed us that social isolation is debilitating and Welsh tells stories of elders living with friendship new and old in their later years Happily Ever Older is a warm inspiring blueprint for change proof that instead of warehousing seniors we can create a future with strong social connections and a reason to go on living
