I try to post something every Fourth to honor those who've served So please let the length of this little tale be a testament to the respect that I have for all of you This is in effect Pilgrim's Progress set in World War Two It takes our hero on the fraught journey from youthful na vet to adult capability via virtues that everybody in the military understand

honor courage and commitment The war crime at the center of this happened even if the payback is in my imagination Wakey wakey today s the day you die The door of the Nissen hut banged open and a voice called Mission today I slid gingerly out of my cot and scuttled over to stoke the remains of last night s fire Once I got some heat going I called across to my co pilot Bobby Roll out we re on Bobby s job was to rouse the rest Eldon our navigator and Whizzer Wiznooski our bombardier The four of us lived in a gloomy half cylindrical corrugated steel home with two other 432nd crews The 432nd was one of four B 26 Marauder squadrons that comprised the 17th Bombardment Group We d been based near Cagliari since the end of 1943 There was very little talking as we pulled on long johns wool shirt trousers and two pairs of socks it s cold at 15 000 feet My leather flight jacket had our squadron insignia on the front a flying grim reaper sickle in hand On the back were two rows of ten bright yellow bombs and one of three representing 23 combat missions along with the name of our Marauder Beautiful Betty As the pilot I had naming rights and I d named mine after the love of my life Betty Moran I had the usual pre mission jitters You have to believe that you ll get the job done and come home alive But there were so many ways to die It could be a blown tire on takeoff or an engine failure or a mistake in the clouds during assembly We flew in tight defensive boxes Those were just the operational problems There was always the flak In my mind s eye I could see the Marauder in front of me take a direct hit from an 88 and just disintegrate The crew lived in our hut I helped gather their personal effects for shipment back home Still the B 26 could take care of itself We had one fifty caliber stinger in the nose Whiz operated that I had four forward firing fifties in blisters under the cockpit and there were two tail mounted fifty cals plus a dorsal turret with fifties But the main advantage was the Marauder itself The B 26 was a medium bomber Unlike the heavies who carpet bombed from 25 000 we hit hard from treetop level up to fifteen thousand feet Legend had it that the Marauder was so accurate that she could deliver two tons of bombs into a pickle barrel

powerless to help his son as Levi slips further between the cracks and troubled Levi doesn't seem to be too interested in helping himself. But when his father's simple bribe finally gets Levi out of the house to a physical therapy appointment, his encounter with former high school sweetheart Linnea Fey just might put him on the path to wholeness again. EXCERPT

Linney He sighed shrugging his jacket on. She was a tall girl and when her chin was set high and defiant like that, she seemed even taller. He was six feet tall and she almost met him eye to eye. I told you hope is the enemy. No Levi. Her hand on his upper arm, the tattoo of a cricket underneath. She stopped him, disarmed him in a way no one had in years. You're the enemy. You were always your own worst enemy. He couldn't deny that. I have to go. I want to see you again, she urged, stepped between him and the exit, standing on tiptoes so they were indeed eye to eye. I told you. He sighed, reaching around her for the doorknob. I can come to you. She leaned back against the door, keeping it closed. Linney. They were close now, closer than they'd been. Close enough he could have closed that gap and kissed her like he used to, ending whatever argument had been about to erupt. I want to. She pressed her fingers to his lips, quieting whatever words he'd been about to say. It clearly crossed the line from professional to personal, but he was still stuck on the words. I want to, half-whispered from those glistening pink lips. He felt the press of her fingers but imagined her lips, the sweet surrender of her mouth under his. My number's on that slip of paper, she whispered. Call me if you want me. Not call me for an appointment or call if you want to see me, but call me if you want me. And he did want her. More than he was ready to admit and certainly more than he had any right to.

For fans of Scarlett St. Clair and Sarah J. Maas, New York Times bestselling author Rebecca Zanetti explores the forbidden and the taboo in this modern dystopian twist on Beauty and the Beast, the first in a seductive new dark romance series set in a world where information is power and those who control the flow of information live like gods. Sexy and utterly engrossing, bestselling author J. T. Geissinger christened me Alana, and while the name means beauty beneath that surface is a depth I allow very few to see. I'm sole heir to Aquarius Social, a media giant about to succumb to an unseen enemy. My father's solution is to marry me off to the son of a competing family. My reaction? Not a chance. Now I have just a week before the wedding to change my fate. Who knew the unforeseen twist would be an assassination attempt on me and an unwanted rescue by Thorn Beathach, the head of the rival social media empire driving Aquarius under. The richest, most ruthless of them all, the Beast protects his realm with an iron rule: no one sees his face. When he shows himself to me, I know he'll never let me go. Thorn may think he can lock me in his enchanted castle forever, but I'm not the docile Beauty he expects. If the Beast wants to tie me up, I'm going to take pleasure from every minute of it, and we'll just see who ends up shackled.
