Global Perspectives on Social Media Influencers and Strategic Business Communication Bi, Nicky Chang,Zhang, Ruonan,2024-05-22 In an era of social media influencers wield unprecedented power over global consumer decisions As digital natives increasingly turn to influencers for guidance the need for comprehensive research on their impact becomes paramount Brands aiming to connect with a precisely targeted audience must grapple with ethical considerations in this rapidly evolving sphere Global Perspectives on Social Media Influencers and Strategic Business Communication delves into influencer research and practices exploring their impact on various industries and sectors This book dissects the motives and characteristics of social media influencers and navigates the terrain of ethical considerations surrounding their collaboration with businesses and organizations This book covers influencers effect on brand loyalty cultural norms community building and their role in business management advertising and strategic communication The book dissects the impacts of social media influencers on audience behavior exploring areas such as brand attitudes purchase intentions and the dynamics of parasocial relationships It examines the nuances of engagement differentiating between paid endorsements sponsored content and pure electronic word of mouth while also spotlighting the influence of live streaming on consumer behaviors This book is a valuable resource for businesses strategic communicators marketers scholars and anyone seeking a profound understanding of the dynamic world of social media influencers

Girl on Girl Sophie Gilbert,2025-04-29 Named a most anticipated book of Spring by Washington Post Harper s Bazaar Marie Claire Bustle LitHub Our Culture Kirkus AV Club and WNYC From Atlantic critic and Pulitzer Prize finalist Sophie Gilbert a blazing critique of early aughts pop culture What happened to feminism in the twenty first century This question feels increasingly urgent in a moment of cultural and legislative backlash when widespread uncertainty about the movement s power focus and currency threatens decades of progress Sophie Gilbert identifies an inflection point in the late 1990s and early 2000s when the energy of third wave and riot grrrl feminism collapsed into a regressive period of hyper objectification sexualization and

infantilization Mining the darker side of nostalgia Gilbert trains her keen analytic eye on the most revealing cultural objects of the era across music film television fashion tabloid journalism and more What she recounts is harrowing from the leering gaze of the paparazzi to the gleeful cruelty of early reality TV and a burgeoning internet culture vicious toward women in the spotlight and damaging for those who weren't Gilbert tracks many of the period's dominant themes back to the rise of internet porn which gained widespread influence as it began to pervade our collective consciousness The result is a devastating portrait of a time when a distinctly American blend of excess materialism and power worship collided with the culture's reactionary puritanical and chauvinistic currents Amid a collective reconsideration of the way women are treated in public *Girl on Girl* is a blistering indictment of the matrix of misogyny that undergirded the cultural production of the early twenty-first century and continues to shape our world today

Esports Business Management David P. Hedlund, Seth E.

Jenny, Gil Fried, 2025-09-15 Learn about the rapidly growing esports industry in *Esports Business Management* Second Edition Written by esports executives and experts and endorsed by the Esports Research Network this foundational text covers a wide range of topics essential for a comprehensive education in esports management

CHARLIE KIRK

BIOGRAPHY Brenda Fee, 2025-09-24 He is one of the most recognizable and polarizing figures in modern American conservatism a self-made firebrand who went from a teenager in his parents' garage to the head of a multi-million-dollar youth movement To his millions of followers he is a courageous truth teller and a visionary leader who rescued an entire generation from progressive indoctrination To his countless critics he is a cynical opportunist and a provocateur who traded in reasoned debate for viral outrage and conspiracy theories But who is Charlie Kirk And what can his improbable rise tell us about the state of American politics today In this unflinching unauthorized biography this book presents a nuanced evidence-based portrait of a man who is loved, hated, and impossible to ignore From his early formative years and the conceptual spark of Turning Point USA to his transformative alliance with Donald Trump and his ascent as a media powerhouse this book goes beyond the headlines to explore the complex forces that shaped Kirk's career Drawing on extensive research, public records, and first-hand accounts this professional analysis examines *The Entrepreneurial Vision* How a grassroots idea was built into a national political machine with a social media-first strategy *The Shifting Ideology* The evolution of his political identity from a fiscal conservative to a populist culture warrior *The Unavoidable Controversy* A detached look at the media firestorms, accusations, and ideological battles that define his public persona *The Enduring Legacy* An objective analysis of how Kirk's methods have permanently reshaped youth activism and conservative discourse *Loved, Hated, Impossible to Ignore* is a definitive account of a figure who did not just observe the changing political landscape he helped to forge it It is a book for anyone who wants to understand the forces behind America's modern political movements and the man at their center Purchase your copy now to understand the definitive story of Charlie Kirk and the movement he built
