Power to the Players Rob Smat,2023-11-21 The sea shanties YOLO's and red bandanas aren't even half of the GameStop story Did you know Robinhood didn't initiate their infamous trading halt Did you know why Redditors refer to 2021 as the sneeze rather than the squeeze Did you know that shares in your brokerage account might be counterfeits If not buckle up Witness firsthand the real and utterly ludicrous hivemind that brought Wall Street to its knees in January 2021 and find out why GameStop was only the beginning of an even more unprecedented retail contagion one which will challenge everything you think you know about our markets all over again If the meme mania of 2021 drew blood from Wall Street what follows is the Shakespearean realization that Reddit's blade was in fact poisoned In a digital world of frequently deleted revised and buried information accurately piecing together events as they occurred is nearly impossible Other authors and journalists have understandably struggled but not author Rob Smat who has been a witness to every part of the GameStop phenomenon having lived it himself Power to the Players is as much an unabridged history of the GameStop sneeze as it is a roadmap of how retail traders regrouped in the months and years that followed when everyone else thought the story had ended in calamity The truest of diamond hands never sold and their power has only grown stronger since Before Redditors were only a nuisance to the status quo Now they

When April Fischer was five the voice from the well told her to fly Ever since April survived the strange and brutal massacre at the Copperton mine twelve years ago she has been in the spotlight At first as the subject of internet urban legend Then as a horror movie inspiration And most frighteningly as the darling of a cult that believes that on her seventeenth birthday she will come into universe altering power April has unanswered questions about what really went down at the mine most of all what happened to her father the foreman on the drill site who disappeared on that day Until the week before her birthday when she is given a collection of documents and the words He s alive As April uncovers more about her childhood at the mine the cultists beliefs don t feel as impossible as she once thought and she begins to hope that she truly can bring her father back But even though she never wants to go near the edge of the open pit mine again there are forces in Copperton who want to see her fail or watch her fly Nova Britannia Alexander Morris,1884
