Bennett: on the ice Lexi Buchanan, 2021-03-22 Boston Bay Vikings hot enough to melt the ice Bennett My friends whispered between themselves when I decided to move Scarlett into my apartment I was the Captain of the Vikings did the interviews so the others didn't have to I preferred my own company and my friends to that of the puck bunnies who tried to catch my eye Yet when I'd first met Scarlett I told myself I was getting her out of a bad situation at home However I find I'm unable to get her out of my head Frustratingly so That wasn't supposed to happen I hardly knew the girl Scarlett When Bennett didn't give me any choice but to move in with him my world had turned upside down I had plenty of space and he vowed that he wouldn't cross the invisible line he'd drawn My confidence had grown because of him and it was time to go after what I wanted the man himself Even with my stepsister and someone from Bennett's past trying to break the thread we knew our obsession with each other was what would hold us together Crossing the line was never more exciting Meet Bennett Edwards and Scarlett Hayes in the second book of the Boston Bay Vikings series by NYT and USA Today bestselling author Lexi Buchanan

Sutton: on the ice Lexi Buchanan, 2021-09-21 Sutton I'm a center forward with the Boston Bay Vikings and consider myself to be a private and compassionate man Although I enjoy a beer with friends and the occasional hookup I like to be alone My past isn't one of love or kindness in fact it's best left buried I know I should avoid Hailee but the harder I try the more I find myself drawn to her Hailee I'm a nervous wreck after being kidnapped shot and buried alive Sutton has stood by my side and protected me from the press which is only interested in getting my story an exclusive from me My father enjoys being in the spotlight and is flying in from New York to make sure I do what I'm told Before he arrives however Sutton kidnaps me from the hospital and this time I'm a willing participant

Camden Lexi Buchanan, 2020-11-16 Boston Bay Vikings hot enough to melt the ice Camden I grew up with only one dream to become a professional hockey player My dream came true and now I was a winger for the Boston Bay Vikings I never gave much thought to having that special someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team's shower room I went from a carefree bachelor to a fierce protector Molly Exhausted and scared I fell asleep in an empty room and came awake to find the gaze of three naked men on me It turned out I'd found my way into the shower room of the Boston Bay Vikings I'd never heard of them However it was the fourth man to appear who gave me hope He spoke with confidence and made me feel safe I didn't want to leave his side but I'd learned the hard way that anything good never lasted Meet Camden

Ever After Kait Nolan, 2025-08-22 I never meant to be anyone's heroine Not when I became the acting mayor of my hometown after the flood Not when I kept my law practice afloat out of a booth in my grandmother's diner And definitely not when my secret romance novels went viral Nobody in Gibson Hollow knows I'm the author behind the pen name And nobody was supposed to kiss me at that book convention least of all my brother's best friend cosplaying the hero he doesn't know I modeled after him Now Ramsey Shaw is back in town Volunteering Smiling at me like I'm not on the verge of shattering Like he remembers the kiss Like he sees the truth I've spent my whole life being strong Quiet In control But for the first time I don't want to be any of those things I just want to be his In a town held together by hope and heart it's the people who show up that make it shine **The Global ISBN Handbook** Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You'll see the privatized high cost model in the United States You'll compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under
