

Compare and Contrast Snapchat and Instagram

Social media is a tool that is quite popular among all generation lives around the world. It has become an essential part of human life because it includes many positive aspects. The youth is especially one of the users who usually use the social media platforms. Social media platforms like Instagram and Snapchat are the most familiar apps amongst people aged 18-29 in this modern era. These two apps are a platform for communicating our ideas and sharing them with our friends out there. Instagram is currently the world's fastest rising social media site. It has more than 400 million people use Instagram daily with 100 million new pictures uploaded every day. In comparison, Snapchat has 360 million active monthly users and it is estimated to have three billion "snaps" which are photos and videos generated every day. Instagram and Snapchat's users can share their moment by posting the stories. The stories may either be photos or videos, but they are shown on the two platforms differently. Nowadays, Instagram and Snapchat are becoming more competitive due to these two apps increasingly similar. Both of these apps use different kinds of social media techniques that keep us engaged. Although the functionality of these two apps have differences but they still have the similarity. The differences and similarity between Instagram and snapchat can be seen from the aspect functionality, discoverability and communication.

Communication is a part of life among all layers of the society. Both Instagram and Snapchat are an excellent medium to communicate with our family members, old or new friends, colleagues and others in this 21st century. We can connect any people from anywhere despite the location. We can discuss various topics, share feelings, exchange funny things that happened recently to those who live in different countries with us through the apps. This is a good way to keep in touch with our friends easily and quickly. These apps not only can help us to connect with people near and dear one but also people all across the entire global. Furthermore, Instagram and Snapchat are free of charge so we don't worry about the apps becoming a financial burden for us. For instance, Instagram and Snapchat can chat in written form, video form and also audio form. We can send our own created stickers, bitmoji, selfies and others to our friends when chatting with them. Besides chatting one by one, we can also have a group chat function in Instagram and Snapchat. The group chat function can enable us to have 32 people maximum in a group to stay in touch and share the moment together. There also exist the voice calls function which only enable us to hear the others voices while the video call function can let us see the others faces. We can have video calls with a friend or in
