Choice: What does it mean to people around the world to put on costumes to celebrate their heritage, reenact historic events, assume a role on stage or participate in Halloween or Carnival? Self-consciously set apart from everyday dress, costume marks the divide between ordinary and extraordinary settings and enables the wearer to project a different self or special identity. In this fascinating book, Pravina Shukla offers richly detailed case studies from the United States, Brazil, and Sweden to show how individuals use costumes for social communication and to express facets of their personalities. Hours Laura Vanderkam, 2011-05-31 It's an unquestioned truth of modern life we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices, taking time out from other things in order to fit it all in. There has to be a better way, and Laura Vanderkam has found one. After interviewing dozens of successful happy people, she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter. *Bulletin of Safety Education*, 1963 Toy & Hobby World, 1980
