The Customer Affinity Manifesto: How AI can help businesses connect with customer emotions Joss Gillet, 2022-10-03 How to take the pulse of customer emotions weekly without breaking the bank What would make customers shift their spending to the competition How to spot new consumer trends and pivot fast How to build your own AI powered data routine to improve competitiveness The Customer Affinity Manifesto by Joss Gillet looks into pressing issues that businesses have to adapt to since the pandemic People have high expectations and their reactions to an unpleasant user experience are immediate loud and unequivocal While the future is uncertain evidence shows that keeping a

blind eye on the damage companies could suffer from poor customer affinity would be fatal This book is filled with the nectar extracted from three million customer comments posted on social media over a five year data project The learnings are fascinating as we explore the events that drove customers mad including the impact of Covid 19 US presidential elections Brexit scams racism or homophobia on customer sentiment Gillet seeks to understand how emotions influence purchase decisions in a digitized and polarized world He invites you to step into the shoes of your customers and learn a new method that could help nurture deeper relationships with your customers

Empowering People with Severe Mental Illness
Donald M. Linhorst, 2005-09-08 The concept of empowerment has become increasingly popular with mental health professionals But while it is a frequently cited goal in the helping professions empowerment is often nothing more than a buzzword that lacks specificity and grounding in real world applications Consequently little practical guidance exists demonstrating how to achieve it in specific instances with specific groups of people This book is the first professional guide that operationalizes the theory of empowerment outlines the conditions under which it is likely to occur and applies a practical model for working with people with severe mental illness In this unique and thoroughly researched volume Donald Linhorst analyzes the conditions that facilitate empowerment and provides the framework necessary to bolster this historically powerless population s access to the material and cultural resources they need to regain control of their lives Chapters illustrate how to foster empowerment in treatment planning housing selection organizational decision making mental health service planning and policy making employment participation in research and evaluation and consumer provision of mental health and support services Case studies from a public psychiatric hospital and a community mental health agency illustrate each of the seven areas and present evidence of the model s efficacy Finally the book maps out the roles that service providers administrators policy makers advocacy groups researchers and clients can play in the empowerment process Checklists step by step instructions historical overviews and vivid examples make this a valuable teaching tool planning guide and everyday reference for mental health professionals seeking an innovative and evidence based approach to working with their clients with severe mental illness
