

Reading Comprehension

Read the story. Then answer the questions on the following page.

The Adventure Begins

- 1 Serena looked up from her phone when she heard the loud pop. The RV she was sitting in started shaking and rattling, and her dad began to pull the enormous vehicle off onto the shoulder of the road. Great! thought Serena. A flat tire. Probably the most exciting thing that's going to happen on this whole trip.
- 2 "No biggie!" Dad assured them from the driver's seat. "I've got the spare in the back. You two stay in here while I get the tire changed. We'll get moving along on our adventure in no time!"
- 3 "Adventure!" Serena scoffed out loud to herself. Some adventure this was! A month-long road trip through South Dakota in a battered old rental RV. When Dad had said they were going to explore one of the fifty states for a whole month, she had **envisioned** rafting down the Colorado River in Arizona's Grand Canyon, or combing the beaches of Florida like her friend Ally was doing right now. She'd been so disappointed when they'd pulled out South Dakota from the fifty pieces of paper in the hat. South Dakota! Its main claim to fame: some old presidents' heads carved into a giant rock. She rolled her eyes and returned to her scrolling.
- 4 "What's so interesting on your phone?" her brother, Tony, asked curiously.
- 5 She held out the phone for him to see. "Ally shared pictures from her vacation. She's on a real adventure in Florida. Look at the ocean!" She swiped to another screen. "And these are pictures from Drew's vacation...he's on a safari in Africa! Can you imagine? Look! Elephants! Swipe. "Hippos!" Swipe. "Even lions!"
- 6 "That's amazing!" Tony agreed. "You'll have to share pics of our trip."
- 7 Serena rolled her eyes. "You mean of Dad changing a flat tire in the middle of nowhere? Who would want to see that?"
- 8 "But that's the great thing about this whole trip!" Tony said enthusiastically. "We have no idea what's going to happen, no idea what surprises might be around the corner! We're on a true adventure, kinda like people who came through here for the first time hundreds, even thousands, of years ago."

- 9 Serena wasn't convinced. Tony continued, "You know, I read that there's a place called the Badlands out here..."
- 10 "Well, that doesn't sound good!" Serena replied.
- 11 "It's only because of the rough terrain. The Lakota people call it *mako sica*, which means 'bad lands.' I found pictures of it online. Look how amazing!" Tony showed a picture to Serena on his phone. She had to admit, the image was impressive: tall, striped spires and pinnacles of red rocks jutting above vast areas of green prairie. She'd never seen anything like that before.
- 12 "Did you know paleontologists have found fossils of mammoths here? They've also found fossils of huge mammals related to rhinos and camels, and even some that looked like saber-toothed tigers..."
- 13 Serena let her phone fall to her lap as she listened to Tony go on and on. Maybe it wasn't a perfect white sand beach or an African safari, but it did sound pretty fascinating. She looked out the window, wondering when they'd get to see the Badlands. But then she gasped and grabbed Tony's arm, pointing out the window.
- 14 Passing by, just on the other side of the road, was a herd of bison! The two of them watched the magnificent creatures amble slowly through the grasses. She'd never seen anything like them this close before! Serena could see Dad, standing very still by the front tire he'd just changed, watching the stream of animals pass by.
- 15 "Well," Serena said quietly, "I didn't expect that!" She grabbed her phone and snapped a picture through the window.
- 16 "Exactly!" Tony agreed. "And all because we got a flat tire. Post that!"
- 17 Serena laughed and snapped a picture of Tony, too. Maybe they were going to have a real adventure after all.

Reading Comprehension This Week Setup

Making Poetry Matter Sue Dymoke,Andrew Lambirth,Anthony Wilson,2013-06-06 Making Poetry Matter draws together contributions from leading scholars in the field to offer a variety of perspectives on poetry pedagogy A wide range of topics are covered including Teacher attitudes to teaching poetry in the urban primary classroom Digital poetry and multimodality Resistance to poetry in Post 16 English Throughout the internationally recognised contributors draw on case studies to ensure that the theory is clearly linked to classroom practice They consider the teaching and learning challenges that poetry presents for those working with learners aged between 5 and 19 and explore these challenges with reference to reading writing speaking and listening and the transformative nature of poetry in different contexts

After-School Programming and Intrinsic Motivation Elaine Clanton Harpine,2019-08-10 This book examines the eight year development of the Reading Orienteering

Club after school program showing how to develop test change and adapt an after school program to fit the needs of the children who attend It includes case studies and data reports for each year and presents the theory application and program evaluation steps that workers in the field or students learning about program design must follow Chapters present first person accounts as well as statistical evaluations of the effectiveness of the reading program with each group of children In addition chapters highlight the changes that were made in program design and why each change was implemented giving practitioners the insights needed to adapt interventions and strategies to their own programs The book concludes with recommendations from the authors on how to run a successful after school reading program Topics featured in this book include The effect of intrinsic motivation to mental wellness in the classroom The importance of oral reading in correcting reading failure Group center approaches to teaching reading in the classroom How to select the best evaluation tool The challenges of mixing inner city and rural students in a reading program After School Programming and Intrinsic Motivation is an essential reference for scientist practitioners clinicians researchers and graduate students in such disciplines as school psychology childhood education social work psychotherapy and counseling and learning and instruction

Easy French Step-by-Step Salim Khan Anmol , Easy French Step by Step *Reading Jewish Women* Iris Parush,2004 In this extraordinary volume Iris Parush opens up the hitherto unexamined world of literate Jewish women their reading habits and their role in the cultural modernization of Eastern European Jewish society in the nineteenth century Parush makes a paradoxical claim she argues that because Jewish women were marginalized and neglected by rabbinical authorities who regarded men as the bearers of religious learning they were free to read secular literature in German Yiddish Polish and Russian As a result of their exposure to a wealth of literature these reading women became significant conduits for Haskalah Enlightenment ideas and ideals within the Jewish community This deceptively simple thesis dramatically challenges and revamps both scholarly and popular notions of Jewish life and learning in nineteenth century Eastern Europe While scholars of European women s history have been transforming and complicating ideas about the historical roles of middle class women for some time Parush is among the first scholars to work exclusively in Jewish territory The book will be a very welcome introduction to many facets of modern Jewish cultural history particularly the role of women which have too long been ignored

Lessons from the Transition to Pandemic Education in the US Marni Fisher,Kimiya Maghzi,Charlotte Achieng-Evensen,Meredith Dorner,Holly Pearson,Mina Chun,2021-06-09 This volume narrates and shares the often unheard voices of students parents and educators during the COVID 19 pandemic Through close analysis of their lived experiences the book identifies key patterns pitfalls and lessons learnt from pandemic education Drawing on contributions from all levels of the US education system the book situates these myriad voices and perspectives within a prismatic theory framework in order to recognise how these views and experiences interconnect Detailed narrative and phenomenological analysis also call attention to patterns of inequality reduced social and emotional well being pressures on parents and the role of

communication flexibility and teacher led innovation Chapters are interchanged with interludes that showcase a lyrical and authentic approach to understanding the multiplicity of experience in the text Providing a valuable contribution to the contemporary field of pandemic education research this volume will be of interest to researchers academics and educators with an interest in the sociology of education online teaching and eLearning and those involved with the digitalization of education at all levels Those more broadly interested in educational research methods and the effects of home schooling will also benefit

Extensive Reading in the Second Language Classroom Richard R. Day, Julian Bamford, 1998-01-13 This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help them develop a positive attitude towards reading which is sometimes missed in second language classes The authors first examine the cognitive and affective nature of reading and then offer a wealth of practical advice for implementing extensive reading with second language learners Suggestions are provided for integrating extensive reading into the curriculum establishing a library selecting reading materials and keeping records for purposes of evaluation The text also describes a wide variety of classroom activities to supplement individualized silent reading The information will be useful both for pre service teachers and for teachers and administrators who want to improve the teaching of reading in their second language programs

Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education Araujo, Juan J., Araujo, Dawn L., 2021-12-17 As it stands there is currently a void in education literature in how to best prepare preservice teachers to meet the needs of individualized learners across multiple learning platforms social economical contexts language variety and special education needs The subject is in dire need of support for the ongoing improvement of administrative clinical diagnostic and instructional practices related to the learning process The Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education stimulates the professional development of preservice and inservice literacy educators and researchers This book also promotes the excellence in preservice and inservice literacy both nationally and internationally Discussing topics such as virtual classrooms critical literacy and teacher preparation this book serves as an ideal resource for tenure track faculty in literacy education clinical faculty field supervisors who work with preservice teacher educators community college faculty university faculty who are in the midst of reconceptualizing undergraduate teacher education curriculum mentor teachers working with preservice teachers district personnel researchers students and curricula developers who wish to understand the needs of preservice teacher education
