A young doctor has left the hustle of New York City to start a practice in the small town of Mystique, New Hampshire. The town of Mystique has its share of unique characters: from Austria Copley, a busy body that is always stirring up trouble; Larry Aurabach, a grumpy elderly man that has no respect for anyone; Mark Cannon, another who treats his wife with little respect. The small town would experience a summer of stress, confusion, and worry. The negative personalities displayed by Austria, Larry, and Mark disappear. They become kinder and respectful. What caused these changes? Roger Charles, the young doctor that had left the city for the tranquil life of New Hampshire, finds himself in the middle of a virus that attacks the brain, changing one's thinking. The symptoms are difficult to pick up. With the help and encouragement of his new friend Judy, they try to put the pieces together. How would the virus end its run? Would it return? Who else would contract it? The twists and turns and the surprise ending will hold your attention. Douglas Earl was born in New York City in 1947. Raised in a family of high moral values, he does the best to respect all people. Doug always tries to put himself in the other person's situation to understand how they feel. He currently lives in New Hampshire where he moved to in 1974. He retired in 2003 after 32 years of service as a government employee. Douglas enjoys in his spare time golfing, writing, antiques, and playing the piano. Two years ago he had the opportunity to appear in a commercial for a national hotel chain. He is extremely proud of his three children and four grandchildren. **The Selection Shenanigans** Cate Lawley, 2020-04-18. Fairy farts and dragon tears. Not everything sparkles like it should, or so Mallory is beginning to suspect. Fairy godmothers should be all about light and love, not rule-breaking and political intrigue. And dragons? Since when are dragons real? And who thought that was a good secret to keep from everyone's favorite vegan vampire? Mallory ditches a few more magical misconceptions as she, Alex, and her crew hunt down a murderer and try to save the Society's mayoral selection, not election, from imploding.
