All That Really Matters (A McKenzie Family Romance) Nicole Deese, 2021-04-06 2022 Christy and Carol Award Winner Molly McKenzie s bright personality and on trend fashion and beauty advice have made her a major social media influencer When her manager turned boyfriend tells her of an upcoming audition to host a makeover show for America s underprivileged youth all her dreams finally seem to be coming true There s just one catch she has little experience interacting with people in need To gain an edge on her competitors she plans to volunteer for the summer at a transitional program for aged out foster kids but the program s director Silas Whittaker doesn t find her as charming as her followers do Despite his ridiculous rules and terms Molly dives into mentoring surprising herself with the genuine connections and concern she quickly develops for the girls and Silas But just as everything seems perfectly aligned for her professional future it starts to crumble under the pressure And as her once narrow focus opens to the deep needs of those she s come to know she must face the ones she s neglected inside herself for so long In Deese s charming fish out of water tale a social media influencer finds humility and purpose while trying to find fame Deese combines to great effect her bracing take on those affected by foster care and Molly s personal evolution Fans of Rachel Hauck should take a look Publishers Weekly

Higher Education's Road to Relevance Susan A. Ambrose, Laura A. Wankel, 2019-11-20 Explores the current context role and challenges of post secondary education and presents options for promising pathways forward The post secondary educational system has undergone dramatic changes and experienced

immense stress in the past two decades. Once regarded as the logical next step toward career opportunities and financial security, higher education is a subject of growing uncertainty for millions of people across the United States. It is more common than ever to question the return on investment skyrocketing cost and student debt burden of going to college. Prospective students and many employers increasingly view attending institutions of higher learning as inadequate preparation for entering the 21st century workforce. High profile scandals, financial impropriety, sexual abuse, restrictions of free speech among others have further eroded public trust. In response to these and other challenges, leading voices are demanding strengthened accountability and measurable change. Higher Education's Road to Relevance illustrates why change is needed in post secondary education and offers practical solutions to pressing concerns. The authors, internationally recognized experts in college level teaching and learning innovation, draw heavily from contemporary research to provide an integrative approach for post secondary faculty, staff, and administrators of all levels. This timely book helps readers identify the need for leadership in developing new networks and ecosystems of learning and workforce development. This valuable book will help readers:

- Understand the forces driving change in higher education
- Develop multiple pathways to create and credential self directed learners
- Promote access to flexible, cost effective and relevant learning
- Adapt structures and pedagogies to address issues and overcome challenges
- Use an inclusive approach that extends to employers, K-12 educators, post secondary educators and policy makers among others

Higher Education's Road to Relevance is a much needed resource for college and university administrators, academic researchers, instructors, and other faculty and staff who support and interact with students.

This Is the Way the World Ends Jen Wilde, 2023-05-09

Fans of *One of Us Is Lying* and *The Hazel Wood* are cordially invited to spend one fateful night surviving an elite private school's epic masquerade ball in Jen Wilde's debut thriller *This Is the Way the World Ends*. As an autistic scholarship student at the prestigious Webber Academy in New York City, Waverly is used to masking to fit in in more ways than one. While her classmates are the children of the one percent, Waverly is getting by on tutoring gigs and the generosity of the school's charming and enigmatic dean. So when her tutoring student and resident it girl asks Waverly to attend the school's annual fundraising Masquerade disguised as her Waverly jumps at the chance, especially once she finds out that Ash, the dean's daughter and her secret ex girlfriend will be there. The Masquerade is everything Waverly dreamed of: complete with extravagant gowns, wealthy parents writing checks and flowing champagne. Most importantly, there's Ash. All Waverly wants to do is shed her mask and be with her, but the evening takes a sinister turn when Waverly stumbles into a secret meeting between the dean and the school's top donors and witnesses a brutal murder. This gala is harboring far more malevolent plots than just opening parents' pocketbooks. Before she can escape or contact the authorities, a mysterious global blackout puts the entire party on lockdown. Waverly's fairy tale has turned into a nightmare, and she, Ash, and her friends must navigate through a dizzying maze of freight elevators, secret passageways, and back rooms if they're going to survive the night. And even if they manage to escape the Masquerade with technology wiped

out all over the planet what kind of world will they find waiting for them beyond the doors **Cancelled** Farrah Penn,2024-03-19 With its clever snark and searing perspective *Cancelled* is a funny fearless novel about the realistic pitfalls and unforgettable moments high school has to offer perfect for fans of Jenny Han and Emma Lord Not to brag but Brynn Whittaker is basically killing her senior year She's got the looks the grades and a thriving flirt coach business that will help pay for her ultimate dream school Stanford University But when a highly incriminating video goes viral after the first rager of the year Brynn finds herself at the center of a school wide scandal of catastrophic proportions She knows she's not the girl in the video hooking up with her former best friend's boyfriend While wearing a banana costume no less Hey points for style but adding that to her reputation of being a serial dater she quickly starts losing friends and customers On top of that the scorn she receives exposes the culture of misogyny that is rampant at her school and Brynn and her three best friends are determined to take down all the haters But as she gets closer to identifying the person in the video that got her cancelled Brynn must decide is exposing the girl worth losing everything she's worked so hard for This witty unapologetic novel by Farrah Penn boldly tackles the problematic double standards that seek to bring girls down and shines a light on the loving uplifting friendships that can help them make it through those brutal four years *Fixed* John Y. Campbell,Tarun Ramadorai,2025-10-21 Two leading economists reveal why today's personal finance markets are rigged against us and offer practical steps to fix them We interact with the financial system every day whether taking out or paying off loans making insurance claims or simply depositing money into our bank accounts *Fixed* exposes how this system has been corrupted to serve the interests of financial services providers and their cleverest customers at the expense of ordinary people John Campbell and Tarun Ramadorai diagnose the ills of today's personal finance markets in the United States and across the globe looking at everything from short term saving and borrowing to loans for education and housing financial products for retirement and insurance They show how the system is fixed to benefit those who are wealthy and more educated while encouraging financial mistakes by those who are aren't making it difficult for regular consumers to make sound financial decisions and disadvantaging them in some of the most consequential economic transactions of their lives Campbell and Ramadorai describe how some even opt out of the financial system altogether relying on unregulated and often shady mechanisms to implement necessary financial functions with dire consequences for individuals families and the economy more broadly With the explosive growth of the global middle class longer lifespans and greater numbers of seniors managing their money alone the pitfalls of personal finance now affect billions of people around the world *Fixed* proposes concrete solutions that harness the expertise of economists the power of government and the speed of technology to restore fairness and trust in our broken system and make it work better for ordinary people **Emotionality** Connie Riker,101-01-01 Drown Out Male Noise Your Emotions Are the Only Truth That Matters Are you exhausted by men dismissing your feelings as irrational while they cling to their broken logic Do you rage at a world where male reason justifies oppression yet your
