Current Studies in Management Information Systems Filiz VAROL GÜRDER,2023-11-06 **Facebooking the Anthropocene in Raja Ampat** Bob Ostertag,2021-07-06 Facebooking the Anthropocene in Raja Ampat is a deeply intimate look at the cataclysmic shifts between humans technology and the so called natural world Amid the breakneck pace of both technological advance and environmental collapse Robert Ostertag explores how we ourselves are changing as fast as the world around us from how we make music to how we have sex to what we do to survive and who we imagine ourselves to be And though the environmental crisis terrifies and technology overwhelms Ostertag finds enough creativity compassion and humor in our evolving behavior to keep us laughing and inspired as the world we are building overtakes the world we found A true polymath who covered the wars in Central America during the 1980s recorded dozens of music projects and published books on startlingly eclectic subjects Ostertag fuses his travels as a touring musician with his journalist's eye for detail and the long view of a historian Wander both the physical and the intellectual world with him Watch Buddhist monks take selfies while meditating and DJs who make millions of dollars pretend to turn knobs in front of crowds of thousands Shiver with families huddling through the stinging Detroit winter without heat or electricity Meet Spice Islanders who have never seen flushing toilets yet have gay hookup apps on their phones Our best writers have struggled with how to address the catastrophes of our time without looking away Ostertag succeeds where others have failed with the moral acuity of Susan Sontag the technological savvy of Lewis Mumford and the biting humor of Jonathan Swift Customer Xperience Leadership: A Blueprint To Maximize Performance Nadav Goldschmidt,2024-01-03

The success of private sector companies as well as public sector organizations is positively correlated with the level of customer experience they deliver Outstanding experiences lead to high performance satisfied customers and many other

positive outcomes Poor experiences lead to countless negative problems and obstacles within the company and dissatisfied frustrated customers outside Given the importance of experiences substantial resources are invested in improving them Yet the results are often disappointing Companies have a difficult time fulfilling customers expectations and satisfying their needs consistently over time Especially in the digital era we live in This raises a question Is there a roadmap that can help people and organizations achieve their experience goals This book focuses on this issue This interdisciplinary book offers a holistic step by step blueprint for students practitioners and managers interested in understanding how to create exceptional customer experiences and learning how to effectively manage them A unique model is presented It includes four parts which are broken down into fourteen lectures Each lecture deals with a specific topic and includes research based figures and graphs practical tools and easy to implement customer focused actions Every lecture is one piece of the blueprint and together they offer a path to experience leadership
