Nba Preseason Update Store Hours:

National Basketball Association, The: Business, Organization And Strategy Frank P Jozsa, Jr, 2010-10-19 The National Basketball Association NBA is widely recognized as an entertaining and innovative league whose teams play regular season and postseason games in packed arenas at home and away sites in the United States and Canada This book discusses the development growth and success of the 61 year old NBA from a business perspective Covering the late 1940s to 2009 it focuses on the league s expansions and mergers team territories and relocations franchise organizations and operations basketball arenas and markets and NBA domestic and international affairs Readers will gain an insight into when how and why the NBA emerged reformed and gradually matured to become one of the world s most dominant prosperous and popular professional sports organizations today

The NCAA and the Exploitation of College Profit-Athletes Richard M. Southall, Mark S. Nagel, Ellen J. Staurowsky, Richard T. Karcher, Joel G. Maxcy, 2023-05-04 A well constructed and reasoned debunking of the mythology of amateurism in for profit NCAA athletics For the last 60 plus years as the revenue generating capacity of Power Five football and men s basketball has dramatically increased NCAA Division I Power Five football and men s basketball players college profit athletes have been economically exploited their labor has been severely restricted To mask this inequity the NCAA and its members created disseminated and embedded a fictitious collegiate model of athletics established and repeatedly modified for the benefit of member schools designed to ensure profit athletes were denied employment status and just compensation for their athletic labor The NCAA and the Exploitation of College Profit Athletes An Amateurism That Never Was provides a comprehensive historical sociological legal financial and managerial argument for the reclassification of profit athletes as employees Such a reclassification would permit profit athletes to gain not only fair financial compensation but also equal access to educational benefits that have been promised but systematically denied The authors trace how Power Five college sports have morphed into a hyper professionalized and commercialized sport business enterprise They provide evidence that at least since 1956 the NCAA s amateurism has been a collusive exploitative and racialized pay for play scheme that disproportionately affects Black profit athletes The authors cut through the institutional doublespeak of approved benefits cost of attendance stipends or name image likeness NIL collectives to lay bare the immorality of Power Five college sports The NCAA and the Exploitation of College Profit Athletes makes the case that profit athletes and their representatives must have the right to unionize and freely negotiate a collective bargaining agreement with management e g NCAA Power Five conferences and athletic departments In addition this book offers a forward thinking structure in which individual labor contracts or a potential collective bargaining agreement address profit athlete compensation and working conditions

Leveraging Brands in Sport Business Mark P. Pritchard, Jeffrey L. Stinson, 2013-08-15 This edited text compiles advanced material relating to strategy and marketing in the field of sports business Featuring contributions from experts across the sports business field the book approaches strategy from the

standpoint of managing and marketing a brand With integrated current day examples highlighting practices and issues as well as real world applied video cases this book is ideal for marketing students and sports business practitioners looking to gain strategic insights into the industry *Sports Capitalism* Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials Dictating the Agenda Alexander Cooley,Alexander Dukalskis,2025-06-02 This is a story not just of the limits of liberal influence across the world but of how authoritarian governments came to dictate the global agenda by repurposing the very actors tools and norms that once afforded US backed liberalism such global prominence Following the end of the Cold War the world experienced a remarkable wave of democratization Over the next two decades numerous authoritarian regimes transitioned to democracies and it seemed that authoritarianism as a political model was fading But as recent events have shown things have clearly changed In *Dictating the Agenda* authors Alexander Cooley and Alexander Dukalskis reveal how today s authoritarian states are actively countering liberal ideas and advocacy surrounding human rights and democracy across various global governance domains The transformed global context has unlocked for authoritarian states the possibility to contend with Western liberal soft power in new traditionally non political ways including by plugging or even reversing the very channels of influence that originally spread liberalism Cooley and Dukalskis ultimately advance a theory of authoritarian snapback the process in which non democratic states limit the transnational resonance of liberal ideas at home and advance anti liberal norms and ideas into the global public sphere Drawing from a range of evidence including field work interviews and comparative case studies that demonstrate the changing nature of consumer boycotts a database of authoritarian government administrative actions against foreign journalists a database of global content sharing agreement involving Chinese and Russian state media and a database of transnational higher education partnerships involving authoritarian and democratic countries this book doesn t just reveal the limits of the liberal influence taken for granted across the world It offers a novel theory of how authoritarian governments figured out how to exploit and repurpose the same actors tools and norms that once exclusively promoted and sustained US backed liberalism **Unfinished Business** Jack McCallum,2013-10-01 NEW YORK TIMES bestselling author

Jack McCallum DREAM TEAM gives an inside look at the legendary Boston Celtics during a season of change One of the five best NBA books ever written Bill Simmons ESPN In the 1990 91 basketball season the Boston Celtics were a team in transition both on and off the court Jack McCallum also the author of the critically acclaimed SEVEN SECONDS OR LESS chronicled this crucial year from the back room planning on draft day to Larry Bird s unforgettable effort in the postseason With aging superstar Bird nearing the end of his career the season was filled with glorious highs and devastating lows McCallum gets up close and personal with the players and management from this storied franchise showing the larger than life characters in a rarely seen light The day to day drama of Bird s aching back plays in concert with the drumbeat of banter from his frontcourt partner Kevin McHale The book reveals the deep bonds and sometimes deeper rivalries of the locker room and also provides an inside look at a league that was entering its Golden Age

Spaced Out Mike Prada,2022-11-01 A hands on illuminating deconstruction of NBA basketball tracing the tactical evolution of the modern game As the NBA celebrates and surpasses 75 years of existence today s game looks nothing like it did in generations past when Bill Russell Wilt Chamberlain and Kareem Abdul Jabbar took turns ruling the league But it s also entirely different from a decade even half decade ago Today s stars enter the league with more versatility and fluidity than ever before and they need it to handle the strategies philosophies schemes skill sets movement patterns and measures of basketball intelligence that simply didn t exist in the past Spaced Out tells the story of what professional basketball looks like right now and how it got here Taking a court level view Mike Prada breaks down high level play to elucidate the athleticism strategy and skill demonstrated on a nightly basis while shining a light on the historical forces that have dramatically altered the shape of the game and the role of its superstars Topics covered include the explosion of three point shooting the rise and fall and rise again of zone defense the impact of tighter enforcement of perimeter contact rules and other pivotal factors impacting the pro game From Xs and Os to keen historic analysis this definitive volume will reveal the intricacies of a beautiful game for savvy fans players and coaches alike

Insights in sports social science Hans Westerbeek,Gayle McPherson,Jess C. Dixon,2023-06-22

Intercultural Communication Kathryn Sorrells,2020-12-09 Winner of the 2022 Textbook Excellence Award from the Textbook Academic Authors Association TAA Intercultural Communication Globalization and Social Justice introduces students to the study of communication among cultures within the broader context of globalization Author Kathryn Sorrells highlights history power and global institutions as central to understanding the relationships and contexts that shape intercultural communication Promoting critical thinking reflection and action the text s social justice approach equips students with the knowledge and skills to create a more equitable world through communication The Third Edition includes new case studies updated examples and statistics and expanded discussions on timely topics like the rise of ethnonationalism and white nationalism and the impact of new media on global communication

The Uses and Abuses of Weaponized Interdependence Daniel W. Drezner, Henry Farrell, Abraham L. Newman,2021-03-02 How globalized information networks can be used for strategic

advantage Until recently globalization was viewed on balance as an inherently good thing that would benefit people and societies nearly everywhere Now there is growing concern that some countries will use their position in globalized networks to gain undue influence over other societies through their dominance of information and financial networks a concept known as weaponized interdependence In exploring the conditions under which China Russia and the United States might be expected to weaponize control of information and manipulate the global economy the contributors to this volume challenge scholars and practitioners to think differently about foreign economic policy national security and statecraft for the twenty first century The book addresses such questions as What areas of the global economy are most vulnerable to unilateral control of information and financial networks How sustainable is the use of weaponized interdependence What are the possible responses from targeted actors And how sustainable is the open global economy if weaponized interdependence becomes a default tool for managing international relations **The New York Times Index** ,2006 **The National**

Basketball Association Frank P. Jozsa,2011 The National Basketball Association NBA is widely recognized as an entertaining and innovative league whose teams play regular season and postseason games in packed arenas at home and away sites in the United States and Canada This book discusses the development growth and success of the 61 year old NBA from a business perspective Covering the late 1940s to 2009 it focuses on the league s expansions and mergers team territories and relocations franchise organizations and operations basketball arenas and markets and NBA domestic and international affairs Readers will gain an insight into when how and why the NBA emerged reformed and gradually matured to become one of the world s most dominant prosperous and popular professional sports organizations today Indianapolis Monthly ,1998-03 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape The Business of Sports Dennis R. Howard,Brad R. Humphreys,2008-06-30 The sports industry is large visible and growing and it has a huge impact on society That s obvious to die hard fans who not only watch sporting events but buy everything from balls to ties to paperweights with their favorite team s logo But even sports haters can t escape the onslaught of professional sports They are asked to chip in as taxpayers to build public stadiums and their children are like it or not exposed to events sponsored by alcohol and tobacco companies not to mention the juvenile antics of star athletes Businesses of course take a hit in productivity when the Olympics or World Series or Super Bowl or World Cup rolls around Yet most of us love to watch and play The Business of Sports takes on this endlessly fascinating behemoth of an industry to make sense of it all Yes sports is big business How big Estimates of total annual U S spending on sporting goods and services range from 250 to 560 billion a year and spending related to organized sport alone has been estimated at 200 billion per year And it s getting bigger casting an ever larger shadow over the entire globe The Business of Sports throws light on the subject by exploring the business and

economic dynamics of the industry from a diverse array of perspectives that cover the industry's macroeconomic management and marketing promotion issues Volume 1 Perspectives on the Sports Industry documents the current size scope and magnitude of the sports industry in the U S and abroad including the U K and China It also examines the importance of the world's most visible sporting events like the Olympics and the impact of sporting events broadcast around the world Volume 2 Economic Perspectives on Sport takes an in depth look at the sports industry from an economic perspective The volume delves into the inner workings of leagues and teams covering economic issues from the design of sports leagues to franchise financial valuations to salary caps to labor relations Volume 3 Bridging Research and Practice fills the gap between scholarly research on sport and practitioners working in the industry Topics include evaluating talent maintaining managerial efficiency analyzing statistical performance indices and assessing the noneconomic benefits of professional sports Business and sports are a potent mix of two of the strongest forces moving our society today And as the stratospheric salaries of professional athletes indicate the industry is going through major growth and change To make sense of it all it helps to understand the underlying economic principles driving the business decisions made daily by owners and managers in all corners of the world The unique multivolume format of The Business of Sports allows sports nuts journalists business people and students to explore the wide variety of issues that fuel the world's crazy passion for all things athletic

Interdisciplinary Analyses of Professional Basketball Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies

Among the Braves Shibani Mahtani, Timothy McLaughlin, 2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing's brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve out between hostile systems a bridge between communism and capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing's desire for reunification Yet this formulation excluded Hong Kong's own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kong's identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city's modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched Braves

like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn't stop his life from unravelling Gwyneth could predict her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Brave* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong's past and what the sacrifices of its people mean for global democracy's shaky foundation

The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 *The Business of Sports* Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management marketing finance information technology accounting ethics and law Each chapter features concise introductions a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics
