time Gretzky discusses candidly what the game looks like to him and introduces us to the people who inspired and motivated him mentors teammates rivals the famous and the lesser known Weaving together lives and moments from an extraordinary career he reflects on the players who inflamed his imagination when he was a kid the way he himself figured in the dreams of so many who came after takes us onto the ice and into the dressing rooms to meet the friends who stood by him and the rivals who spurred him to greater heights shows us some of the famous moments in hockey history through the eyes of someone who regularly made that history Warm direct and revelatory it is a book that gives us number 99 the man and the player like never before *Behind the Lens* Steve Babineau, Brian Codagnone, 2022-10-25 A one of a kind collection and some never before seen photographs from the official photographer of the wild and unforgettable WHA On October 12 1972 legendary Boston sports photographer Steve Babineau was in attendance for the debut of the New England Whalers They were taking on the Philadelphia Blazers at the old Boston Garden and Babs was shooting the action Fifty years later he s still photographing big league sports events but this lovingly curated collection documents both his earliest published and unseen works and the wild emergence of the colorful revolutionary wild and unforgettable WHA In an era when rolls of film still had to be changed by hand and cameras were focused manually when arena lighting was questionable and images had to be captured through the haze produced by smoking fans Babineau captured it all the timeless legends who were finally getting paid the journeymen who finally got a shot at the pros the 17 year old who would go on to rewrite record books the brawls and goals the glorious stashes and flows the highs and the lows Behind the Lens The World Hockey Association 50 Years Later has the Golden Jet and the Howes the teams that seemed to change names and cities as often as some players changed wooden sticks and even the true origin story of that Wayne Gretzky photo that s become the million dollar holy grail for sports card collectors *Chill Factor* David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991-99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the

ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
