The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it *Chasing the Dream* Starkey, Ted, 2016-11-01 Go on the road with the best hockey players not in the NHL What is life really like in North American hockey's top minor league As told by dozens of the players coaches broadcasters personnel and owners who work a grinding schedule every winter Chasing the Dream goes behind the scenes with seven AHL teams Find out how players dreams of lacing up their skates in the NHL motivate them through long bus rides and games where they're constantly gunning for a precious spot in the majors From young prospects to veterans whose own hopes have faded hear from AHL players on why today's minor league is no longer like Slap Shot what playing three games in under 48 hours can do to a player and why fighting once a staple of the minors is on the decline Learn about the game from coaches alumni and broadcasters as well as AHL president Dave Andrews who reveals how the AHL is becoming an even more important tool for NHL teams in the salary cap era Load your gear on the bus and take a tour around the many venues personalities pranks and memories of the once small AHL an organization that now crosses the continent and is big business for players and owners *The Future* Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard's Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard's inaugural season provides a thrilling and expansive portrait of today's NHL *Mario Lemieux* Ken Rappoport, 1998 This book looks at the professional career and personal life of Mario Lemieux the star center for hockey's Pittsburgh Penguins who overcame adversity and was voted into the Hockey Hall of Fame following his retirement from the game **The 1993**
