Resumes That Work! Kristopher Stanley, 2018-08-18 Every success has a beginning Today you write your own Are you not getting calls for interviews How about struggling to figure out what you need to do what you need to say or where to even start I'm here to tell you it's not that you're doing anything wrong It's that you need the right strategy You don't have to settle for getting a job ever again You have an opportunity to get the career you want One that you can feel fulfilled with One where you and the company can decide together if your goals are the same and it's worth exploring more You see we are living in a wonderful time in history All the modern advancements have put the world at our fingertips Yet the tools meant to bring us closer let us drift a part There is a yearning to go back to our roots and reconnect reengage and have relationships with the people and places that matter to us Resumes that Work is a career development book with a focus on resumes It will help you identify your unique value proposition so that you can find fulfillment in a career of your choosing We streamlined

the process and took all the guess work out of what to say and where to say it It will give you the insight to pass the ATS and human resource screening so that your resume reaches the right person Once there it will show you are a cultural fit and have them contacting you to continue the conversation More than that it will help you identify your strengths and values and how to transcribe them in a way that you begin to build a relationship well before your interview so you can begin creating an impact together The Resume Kit Richard H.
