Fouled Away Clifton Blue Parker, 2010-06-28 A hundred and ninety one Mention the number anywhere near a ballpark and before you can ask who or what fans will almost certainly shape their lips with a single word Wilson They ll tell you Hack Wilson a burly bull necked outfielder who roamed Wrigley Field in the 1920s and 1930s was the man who drove in 191 runs in 1930 more than most players had hits A few of them will know that in 1929 Wilson racked up 159 RBI and hit 39 home runs Still fewer might be able to tell you that for the four seasons 1927 1930 the slugger hit no fewer than 30 home runs a season and drove home no fewer than 120 But you are unlikely to find more than a handful of fans who know how the Cub great s career came to an end Or when Or why The heir apparent to Ruth s title of world beater Wilson was a star by his late 20s and a record setter by 30 But he was also an alcoholic who was as practiced at swinging his fists as he was his bat By his early 30s his days as a full time player were behind him and by 48 he was dead his son refused to claim the body This biography examines the turbulent life and career of one of the most dominant short stint powerhitters ever to pull on a uniform From Wilson s early career as a steelworker through his time as the beloved ballplayer and icon for the City of Big Shoulders to his days as a down on his luck baseball washout and itinerant laborer an unflinching look at this Hall of Famer is provided

Loserpalooza Darby Conley, 2012-05-15 On the Media calls Darby Conley the most successful cartoonist of the new generation National Public Radio More than one million Get Fuzzy books have been sold and the three most recent books have been New York Times best sellers Loserpalooza is the third treasury collecting strips from New York Times best sellers Say Cheesy and Scrum Bums Loserpalooza is Darby Conley s latest look at the interspecies antics of his wildly popular characters Bucky Satchel and Rob At the center of this not so warm and fuzzy arrangement is Rob Wilco a single mild mannered ad exec Bucky is Rob s temperamental buck toothed Siamese cat with a penchant for mischief a hatred of ferrets and a love of rubber bands Satchel is a sweet but naive shar pei yellow Lab mix who haplessly ends up on

the receiving end of Bucky's wayward schemes. An entertaining critique on popular culture and a bona fide hit, *Get Fuzzy* was named Best Comic Strip of the year in 2002 by the National Cartoonists Society and now appears in more than 400 newspapers worldwide. *Say Cheesy* Darby Conley, 2012-05-29 The antics of moody Siamese kitten Bucky Katt and sweetly clueless Labrador Shar pei mix Satchel Pooch are scarily familiar to anyone with four-legged roommates. USA Weekend Dogs and cats can be cute, cuddly and faithful companions. They also can be ornery, unpredictable and hilarious. *Get Fuzzy* is all about the latter. In this collection, New York Times best-selling author Darby Conley has found uncommon humor and insight in our common everyday pets. *Get Fuzzy* has become one of the premier comics on the funny pages. The Wilco household includes Rob the bachelor, Bucky the cantankerous cat with an attitude, and Satchel the loveable but clueless dog. If animals really could talk, one would expect them to sound like Bucky and Fuzzy. Often it's the subtle nuances of the strip—from Bucky's hilarious facial expressions to Satchel's dopey innocence—that pack the biggest laughs. The strip's dry wit and razor-sharp reality earned it the National Cartoonists Society's prestigious Best Newspaper Comic Strip in 2002. *Get Fuzzy* captures the non-glamorous essence of being a pet owner in a way people who own and operate dogs and cats are sure to love. **The Complete Ravi PI Series** Adi Tantimedh, 2019-04-23 Soon to be a TV series. Enter an exciting and dynamic new world of storytelling in which spirituality and science are inextricably entwined. Deepak Chopra, with this boxed set of the engaging, whip-smart and witty Ravi PI series. In *Her Nightly Embrace*, Ravi Chandra Singh is the last guy you'd expect to become a private detective. A failed religious scholar, he now works for Golden Sentinels, an upmarket London private investigations agency. His colleagues are a band of gleefully amoral and brilliant screw-ups, and together they are hired to solve the problems of some of the most powerful people in town. But Ravi is in over his head with increasingly gonzo and complex cases, and the recent visions that he's been having of Hindu gods aren't helping. As Ravi struggles to stay ahead of danger, he wonders if he's delusional or if he might in fact be an unrecognized shaman of the modern world. *Her Beautiful Monster* continues the vivid series with Ravi's colleagues at Golden Sentinels discovering that he sees gods in moments of heightened anxiety and stress. They are all surprisingly fine with it and even encourage him to incorporate his visions into his work, especially now that the cases have become more intense. But their latest case, a search for a dead Russian oligarch's last will and testament, leads to more than anyone expected: a missing heir, murderous relatives, and geopolitical implications. So when Ravi's boss sends him to Los Angeles to wait out the heat, it's almost a relief until Ravi's past catches up to him. Finally, in *Her Fugitive Heart*, Ravi simply desires to marry his girlfriend in peace, but events conspire to keep things anything but peaceful. An actress hires the agency to track down the source of a sex tape she never made yet still appeared in. A weekend party in a deceased rock star's country mansion, where the investigators are charged with surveilling the rich guests, goes way out of control. A terrorist leader goes missing in London before he can turn himself in to the CIA, and the agency is hired to help track him down. And finally, Ravi's boss's secret plans to make himself a major player in the world stage blows up in his

face and Ravi must go into hiding The future of the Golden Sentinels and Ravi hang in the balance in the gripping and unforgettable conclusion to the Ravi PI series Historical Dictionary of Fantasy Literature Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **The Mixer** ,1929 *Hacker Series Box Set Books 1-5* Meredith Wild,2019-04-05 Devour all five books in the addictive 1 New York Times bestsellingseries that s sold over a million copies worldwide perfect for those who love Fifty Shades Heroes and Heartbreakers Hardwired Erica Hathaway has had to work hard her whole life first when she lost her parents and then to prove herself in the male dominated tech world The only thing she didn t prepare for was billionaire and rumored hacker Blake Landon He s sexy intimidating and determined to win her over But when Blake uncovers a dark secret from Erica s past even he may not be able to protect her Hardpressed Erica has broken down the walls that kept her from opening her heart and her business to Blake and she s determined not to let anything come between them But when demons from her past threaten their future Erica makes a decision that could change their lives forever Hardline Erica has given Blake her trust and her love and he has no intention of letting her out of his life again But when he tests the boundaries of her commitment she is forced to face the dark desires he s kept hidden As their bonds grow stronger their enemies are closing in With Erica s company in danger Blake must protect her from those who would ruin her only to get to him Hard Limit When life has torn them apart Blake and Erica have always found their way back to each other deeper in love and stronger than ever But on the verge of making the ultimate commitment Erica uncovers an unsettling chapter of Blake s history As danger lurks and dark secrets come to light will the past destroy their promise of forever Hard Love Just when Blake and Erica think their troubles are safely behind them Blake finds himself at the center of a massive scandal haunted by the transgressions of his hacker past But when he defies the authorities and refuses to seek the truth will he let his past win Or can Erica convince him that their life together is worth fighting for now more than ever **Slow to Speak** Gene Jennings,2023-12-05 Les Crumpler has spent decades trying to forget the past but the past isn t done with him At 81 years old Les is a widower a retired history teacher and a man haunted by what he didn t say As a young ballplayer he shared the field with Jackie Robinson witnessing firsthand the racism

Bitten (A Reflections Series Bundle) Dean Murray,2014-04-15 Some stories are too big for one timeline Continue the action packed love story started in Dean Murray s first two Reflections novels *Broken* and *Torn* *Bitten* is a boxed set of the next 6 titles in the Reflections universe plus *Longing* a bonus short story Combined the titles in this boxed set have more than

270 five star reviews and now for the first time ever they are available in one volume with a special price that is 37% off of the normal cost In Bitten you ll get Splintered Reflections Volume 3 Most girls would have killed to be in Adri s shoes in fact several people think that s exactly what she did Of course life with a pack of shape shifters isn t quite what she expected The time with Alec is great but now that the rival pack is out of the picture Alec s wolves are all starting to turn on each other and Adri is finding there is less and less she can do to help hold the pack together Alec s determination to keep her at arm s length physically is just as frustrating as always but his ongoing refusal to explain the larger world the pack is operating in is starting to become more than just something that keeps Adri up at night It s starting to look like something that could get them all killed Intrusion Reflection Volume 4 Jess awoke to a world she doesn t really understand hounded by impulses that are quite literally more than any human could be expected to control It s painfully evident that her friends and family are doing everything they can to help her regain her footing but she can t help resenting the fact that none of them lost as deeply as she lost in their last confrontation with the Coun hij More than anything she wants to turn to Alec for help The alpha of the pack should be a constant source of strength and reassurance but in his own way he s nearly as damaged as she is What s worse a new threat has just arrived in Sanctuary and Jess is starting to wonder if Alec will sacrifice her as the weakest link in a crippled pack Numb Reflections Volume 4 5 Adriana Paige didn t see her breakup with Alec Graves coming any more than he did but at the time she couldn t see any other way to stop him from turning into some kind of monster For weeks now she s been haunted by the worry that she made a terrible mistake but she s thousands of miles away from Sanctuary now and there s nothing left but to try and soldier on Alec Graves had just finished standing off the single most dangerous group of shape shifters in the world when Adri told him she was moving away He d always known that being the alpha of his small pack would come with costs but he never imagined that losing Adri would be one of them Alec and Adri are two damaged hearts with one thing in common They would both give almost anything to be free of their pain They just want to be numb Trapped Reflections Volume 5 Kristin has always been firmly grounded in reality Trading in small town Idaho for an Ivy League school wasn t going to be an easy proposition and making it happen wasn t going to leave her time for unnecessary things like crushes on boys Kristin is about to find out that all of the creatures she thought were nothing more than myth are actually quite real One of the worst of them is after her an unstoppable killing machine that will chase her across a continent Kristin is completely out of her depth Her one hope is a mysterious guy with dangerous skills and a dark past He s the kind of guy that Kristin knows she shouldn t get involved with but as their attraction grows it becomes apparent that being with him is going to require an even bigger sacrifice than she realized Forsaken Reflections Volume 6 The power he needs to protect his friends and family is just outside of Alec Graves reach The dominant shape shifter pack in North America is circling like vultures and there are other more savage opponents approaching in the distance Given the danger he s in Alec doesn t have time for a broken heart but Adri s departure has left him barely able to function The pressures inside his pack are building to

lethal levels and for the first time in his life he's not sure he can walk the path that honor demands of him Walking out on Alec was the hardest thing Adri had ever done but she didn't bargain for the long term impacts that would be involved She hasn't been able to get past her feelings for him yet and it's starting to impact nearly every aspect of her life Even more concerning she now knows what the darkness really hides Dangers that she thought she'd left behind in Sanctuary are stalking her again but this time Alec's pack isn't in a position to protect her Scent of Tears A Reflections Short Story Living in the city is hard for a shape shifter especially one as young as Shawn He's been anticipating the coming trip out to the country for months The fact that he's going to be allowed to run around unescorted only makes things better The vacation turns serious when he decides to leave the estate A pack of hunting dogs is more than capable of bringing even a shape shifter to bay and he's starting to understand that more than just his own survival hinges on what he does next Longing Abby's one year from graduation and headed nowhere A steady regimen of parties and drugs isn't what she really wants to be doing but sometimes she needs a little something extra just to make it through the day This party wasn't supposed to be any different than the rest but when things take a turn for the worse help steps in from an unexpected source Bitten is a collection of young adult epic paranormal romance stories with vampires werewolves and shape shifters *The Corrector*, 1922 **24/7**
