Meghan Andrew Morton, 2024-09-24 The New York Times bestselling biography of Meghan Markle the American actress who won Prince Harry's heart from the author of *Diana Her True Story* Women who smash the royal mold have always fascinated the public from Grace Kelly to Princess Diana Now acclaimed royal biographer Andrew Morton brings us a revealing and inspiring look at Meghan Markle the charismatic duchess whose warm and affectionate engagement interview won the hearts of the world When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016 little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018 Morton goes back to Meghan's childhood growing up in The Valley in Los Angeles her studies at an all girls Catholic school and her fraught family life a painful experience mirrored by Harry's own background Morton also delves into her previous marriage and divorce in 2013 her struggles in Hollywood as her biracial identity was used against her her big break in the hit TV show *Suits* and her work for a humanitarian ambassador the latter so reminiscent of Princess Diana's passions Finally we see how the royal romance played out across two continents but was kept fiercely secret before the news finally broke and Meghan was thrust into the global media's spotlight Drawing on exclusive interviews with her family members and closest friends and including never before seen photographs Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor as well as what the future might hold

Battle for the Bird Kurt Wagner, 2024-02-20 In *battle for the Bird* Bloomberg journalist Kurt Wagner takes the reader inside Twitter's everchanging headquarters charting its rise from flippant 140 character posts to one of the world's most consequential tech companies From Jack Dorsey's triumphant return as CEO in 2015 to the rise and fall of realDonaldTrump to the contentious 44 billion sale to Elon Musk *Battle for the Bird* exposes the messy reality and relentless challenges that come with building a global social network With enthralling minute by minute accounts of Musk's controversial takeover from insider employees *Battle for the Bird* exposes the real world impact of the South African billionaire's new role as owner and employees growing horror as Dorsey's idealistic promises and the Twitter name go up in flames before their eyes *Battle for the Bird* is the definite objective and substantive account of the fight over the world's most influential social media platform Now for the first time through deeply sourced exclusive interviews readers will discover how the visionary promises of one iconoclast gave way to the darker yet to be defined motives of another upending the virtual status quo and impacting the flow of news and information to the masses

Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World Dalkir, Kimiz, Katz, Rebecca, 2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range However this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values They deliberately seek out facts and data that specifically support their conclusions and classify any information that contradicts their beliefs as false news Navigating Fake News Alternative Facts and Misinformation in a Post Truth World is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes information literacy workshops and algorithms that can detect fake news dissemination patterns in social media While highlighting topics including source credibility share culture and media literacy this book is ideally designed for social media managers technology and software developers IT specialists educators columnists writers editors journalists broadcasters newscasters researchers policymakers and students
