Pegasus Laurent Richard, Sandrine Rigaud, 2023-01-17 Featuring an introduction by Rachel Maddow Pegasus How a Spy in Our Pocket Threatens the End of Privacy Dignity and Democracy is the behind the scenes story of one of the most sophisticated and invasive surveillance weapons ever created used by governments around the world Pegasus is widely regarded as the most effective and sought after cyber surveillance system on the market The system's creator the NSO Group a private corporation headquartered in Israel is not shy about proclaiming its ability to thwart terrorists and criminals Thousands of people in Europe owe their lives to hundreds of our company employees NSO's cofounder declared in 2019 This bold assertion may be true at least in part but it's by no means the whole story NSO's Pegasus system has not been limited to catching bad guys It's also been used to spy on hundreds and maybe thousands of innocent people around the world heads of state diplomats human rights defenders political opponents and journalists This spyware is as insidious as it is invasive capable of infecting a private cell phone without alerting the owner and of doing its work in the background in silence virtually undetectable Pegasus can track a person's daily movement in real time gain control of the device's microphones and cameras at will and capture all videos photos emails texts and passwords encrypted or not This data can be exfiltrated stored on outside servers and then leveraged to blackmail intimidate and silence the victims Its full reach is not yet known If they've found a way to hack one iPhone says Edward Snowden they've found a way to hack all iPhones Pegasus is a look inside the monthslong worldwide investigation triggered by a single spectacular leak of data and a look at how an international consortium of reporters and editors revealed that cyber intrusion and cyber surveillance are happening with exponentially increasing frequency across the globe at a scale that astounds Meticulously reported and masterfully written Pegasus shines a light on the lives that have been turned upside down by this unprecedented threat and exposes the chilling new ways authoritarian regimes are eroding key pillars of democracy privacy freedom of the press and freedom of speech Make Money Smart Julius Kilian Dante, 2024-06-20 In depth knowledge of Amazon's business offers a comprehensive view of how a leading global company operates and grows This understanding can be leveraged to make informed investment choices develop competitive business strategies identify entrepreneurial opportunities advance careers form strategic partnerships and gain a competitive edge in the marketplace By learning from Amazon's successes and innovations individuals and businesses can apply these insights to drive their own growth and success **Electronic Commerce 2018** Efraim Turban, Jon Outland, David King, Jae Kyu Lee, Ting-Peng Liang, Deborah C. Turban, 2017-10-12 This new Edition of Electronic Commerce is a complete update of the leading graduate level advanced undergraduate level textbook on the subject Electronic commerce EC describes the manner in which transactions take place over electronic networks mostly the Internet It is the process of electronically buying and selling goods services and information Certain EC applications such as buying and selling stocks and airline tickets online are reaching maturity some even exceeding non Internet trades However EC is

not just about buying and selling it also is about electronically communicating collaborating and discovering information It is about e learning e government social networks and much more EC is having an impact on a significant portion of the world affecting businesses professions trade and of course people The most important developments in EC since 2014 are the continuous phenomenal growth of social networks especially Facebook LinkedIn and Instagram and the trend toward conducting EC with mobile devices Other major developments are the expansion of EC globally especially in China where you can find the world s largest EC company Much attention is lately being given to smart commerce and the use of AI based analytics and big data to enhance the field Finally some emerging EC business models are changing industries e g the shared economy models of Uber and Airbnb The 2018 9th edition brings forth the latest trends in e commerce including smart commerce social commerce social collaboration shared economy innovations and mobility
