The Real-Time Revolution Jerry Power, Thomas Ferratt, 2019-09-03 Time has become a precious commodity so business leaders who can save their customers time more effectively than competitors do will win their loyalty This book shows how it is done Business survival requires valuing what customers value and in our overworked and distraction rich era customers value their time above all else Real time companies beat their rivals by being faster and more responsive in meeting customer needs To become a real time company as top scholars Jerry Power and Tom Ferratt explain you need a real time monitoring and response system They offer detailed advice on how to put procedures in place that will collect data on how well products or services are saving customer time identify strengths weaknesses threats and opportunities and specify innovations needed to save even more customer time Where should leaders look to innovate Powers and Ferratt say to search every step in the life of a product or service from development to production to usage And for each step they identify four possible levers for innovation the design of the products or services themselves the process used to produce them the data that can be gathered on their use and the people who make or provide the product or service The book features dozens of examples of companies that are getting it right and the innovations they used to help their customers save time all while helping themselves to a hefty slice of market share This is a comprehensive authoritative guide to thriving in a revolution that is sweeping every industry and sector

Service Failures and Recovery in Tourism and Hospitality Erdogan Koc, 2017-10-20 Tourism and hospitality services are highly prone to service failure due to a high level of customer employee contact and the inseparable intangible heterogeneous and perishable nature of these services Service Failures and Recovery in Tourism and Hospitality with its extensive coverage of the literature presents an invaluable source of information for academics students researchers and practitioners In addition to its extensive coverage of the literature in terms of recent research published in top tier journals chapters in the book contain student aids real life examples case studies links to websites and activities alongside discussion questions and presentation slides for in class use by teaching staff This book is enhanced with supplementary resources The customizable lecture slides can be found at www.cabi.org/openresources 90677

Human Resources for the Non-HR Manager Carol T. Kulik, Elissa L. Perry, 2023-05-02 Human Resources for the Non HR Manager gives every manager regardless of their functional role access to cutting edge research and evidence based recommendations so they can approach their people management responsibilities with confidence Day to day people management is increasingly the responsibility of front line managers not HR professionals But managers are often poorly prepared for these responsibilities they receive little training and sometimes have little interest in HR People management is never easy and it is particularly challenging in COVID 19 s next normal workplace where managers must engage diverse

employees across a wide range of working arrangements This book focuses on the special relationship that line managers have with their employees and describes managers responsibilities across the entire employee lifecycle from front end recruiting and hiring through to long term retention The content is grounded in rigorous academic research but the book s conversational tone conveys basic principles without technical jargon Each chapter includes Manager s Checkpoints to help readers apply the material to their own workplace and Manager s Knots that address gray areas inherent in people management The book is designed for any reader currently working as a line manager or aspiring to a managerial role who wants to improve their people management skills Combined with a complete instructor package the book provides different types of activities to accompany each chapter Some Assembly Required In the News and Undercover Manager The activities can be found in the Instructor Resources Download Hub and are designed to align with student cohorts with varying levels of experience A full suite of regularly updated resources for students and instructors can be found on the authors own website <https://www.nonhrmanager.com>
