**Disney's Animated Classics** Stephen Röttsch Thomas,2025-12-30 Which Disney character is responsible for the most onscreen deaths What are the entry requirements for becoming a Disney Princess Why is Jiminy Cricket always breaking into people s homes In Disney s Animated Classics Stephen R tzsch Thomas explores the iconic features from the studio s first 100 years from Snow White to Wish A love letter to storytelling and collaboration each chapter takes readers behind the scenes of a different movie uncovering the hidden secrets creative geniuses and surprising connections that will enthrall die hard Disney fans and casual viewers alike Disney s Animated Classics examines how the studio s films have shaped and been shaped by the world around them and how they have attempted to reflect a changing culture From the studio s representation of race and sexuality to its fluctuating creative fortunes through the decades R tzsch Thomas offers an unflinchingly funny history of one of the biggest icons in cinema His unauthorised deep dive is an irreverent but loving tribute to the films that have defined generations of childhoods Whether you re a self proclaimed Disney Adult a film fan looking to learn about the animation behemoth or just someone trying to understand why Robin Hood was responsible for your sexual awakening there s something for you here

Understanding Disney Janet Wasko,2020-01-20 Since the 1930s the Walt Disney Company has produced characters images and stories that have captivated audiences around the world How can we understand the appeal of Disney products What is it about the Disney phenomenon that attracts so many children as well as adults In this updated second edition with new examples provided throughout Janet Wasko examines the processes by which the Disney company one of the largest media and entertainment corporations in the world continues to manufacture the fantasies that enthrall millions She analyses the historical expansion of the Disney empire into the twenty first century examines the content of Disney s classic and more recent films cartoons and TV programs and discusses how they are produced considering how some of the same techniques have been applied to the Disney theme parks She also discusses the reception and sometimes reinterpretation of Disney products by different kinds of audiences By looking at the Disney phenomenon from a variety of perspectives she provides an updated and comprehensive overview of one of the most significant media and cultural institutions of our time This important book by a leading scholar of the entertainment industries will be of great interest to students in media and cultural studies as well as a broader readership of Disney fans

**The Television Genre Book** Glen Creeber,2023-11-30 In this new edition of The Television Genre Book leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon

Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul's Drag Race this book offers a comprehensive understanding of television genre for scholars and students alike

### **Performance and the Disney Theme Park Experience** Jennifer A. Kokai, Tom

Robson, 2025-07-02 Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience The vast body of research and journalism on the Disney Imagineers the designers and storytellers who construct the park experience leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience This anthology now in its second edition re-centers the park experience around its protagonist the tourist and addresses the Disney Parks using performance theory an approach few to no scholars had used prior to the first edition The authors of the individual essays as well as the Introduction by Kokai and Robson and an Afterword by world renowned tourism and performance expert Susan Bennett recognize the inherently complicated nature of Disney Many of the contributors consider themselves Disney fans but also recognize the potentially problematic aspects of Disney parks This collection permits both perspectives to exist side by side informing rather than contradicting each other
