The Geek Way Andrew McAfee, 2023-11-14 The Economist s Best Books of 2023 Forbes Top 10 Business Books of 2023 Financial Times Monthly Best Business Books to Read Pick In this handbook for disruptors Eric Schmidt The Geek Way reveals a new way to get big things done It will change the way you think about work teams projects and culture and give you the insight and tools you need to harness our human superpowers of learning and cooperation What is being geeky It s being a perennially curious person one who s not afraid to tackle hard problems and embrace unconventional solutions McAfee shows how the geeks have created a new culture based around four norms science ownership speed and openness The geek way seems odd at first It s not deferential to experts

fond of planning and process afraid of mistakes or obsessed with winning But it explains everything from why Montessori babies turn out to be creative tinkerers to how newcomers are disrupting industry after industry and still just getting started When all four norms are in place a culture emerges that is freewheeling fast moving egalitarian evidence driven argumentative and autonomous Why does the geek way work so much better McAfee provides an original answer because it taps into humanity s superpower which is our ability to cooperate intensely and learn rapidly By providing insights from the young discipline of cultural evolution McAfee shows that when we come together under the right conditions we quickly figure out how to build reusable spaceships and self correcting organizations Under the wrong conditions though we create bureaucracy chronic delays cultures of silence and the other classic dysfunctions of the Industrial Era Mixing cutting edge science history analysis and stories that show the geek way in action McAfee offers a new way to see the world and empowering tools for seizing the big opportunities of today and tomorrow PC Mag ,2004-09-21 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC World** ,2007
