Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies **Survey of the Honour of Denbigh 1334** Paul Vinogradoff, Frank

A Unified Theory of Cats on the Internet E.J. White,2023-05-25 This cultural history reveals how cats became the undisputed mascot of the internet an essential look at life online Ryan Milner author of The World Made Meme Journalists and their readers seem to need no explanation for the line The internet is made of cats Everyone understands the joke but few know how it started A Unified Theory of Cats on the Internet is the first book to explore the history of how the cat became the internet s best friend Internet cats can differ in dramatic ways from the goth cats of Twitter to the glamourpusses of Instagram to the giddy nonsensical silliness of Nyan Cat But they all share common traits and values Bringing together fun anecdotes thoughtful analyses and hidden histories of the communities that built the internet Elyse White shows how japonisme punk culture cute culture and the battle among different communities for the soul of the internet informed the sensibility of online felines Internet cats offer a playful and useful way to understand how culture shapes and is shaped by technology Western culture has used cats for centuries as symbols of darkness pathos and alienation The communities that helped build the internet represented themselves as outsiders with snark and alienation at the core of their identity Thus cats became the sine qua non of cultural literacy for the Extremely Online as well as an everyday medium of expression for the rest of us Whatever direction the internet takes next the series of tubes is likely to remain cat shaped

Meghan Andrew Morton,2024-09-24 The New York Times bestselling biography of Meghan Markle the American actress who won Prince Harry s heart from the author of Diana Her True Story Women who smash the royal mold have always fascinated the public from Grace Kelly to Princess Diana Now acclaimed royal biographer Andrew Morton brings us a revealing and inspiring look at Meghan Markle the charismatic duchess whose warm and affectionate engagement interview won the hearts of the world When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016 little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018 Morton goes back to Meghan s childhood growing up in The Valley in Los Angeles her studies at an all girls Catholic school and her fraught family life a painful experience mirrored by Harry s own background Morton also delves into her previous marriage and divorce in 2013 her struggles in Hollywood as her biracial identity was used against her her big break in the hit TV show Suits and her work for a humanitarian ambassador the latter so reminiscent of Princess Diana s passions Finally we see how the royal romance played out across two continents but was kept fiercely secret before the news finally broke and Meghan was thrust into the global media s spotlight Drawing on exclusive interviews with her family members and closest friends and including never before seen photographs Morton introduces us to the real Meghan as he
