Privileged Victims Eddie Scarry, 2020-02-25 America s worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America s most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy tracing its origins in

academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly

Political Correctness Does More Harm Than Good: How to Identify, Debunk, and Dismantle Dangerous Ideas Douglas Kruger, 2020-10-27 Political Correctness Does More Harm Than Good It s a surprising assertion Isn t PC culture all about kindness About protecting victimized groups If you trace the history of political correctness the answer is emphatically no It has other goals in mind and has since its inception with thinkers like Rousseau Author Douglas Kruger traces the unfolding ideology from its dark genesis the French Revolution and subsequent terror through its various incarnations Marxism relativism post modernism and all the way to today s identity politics He points out the flaws fallacies and in many cases the body counts these ideologies have wracked up Uniquely this book then goes one step further It is not merely descriptive history it is not just explanatory philosophy This is a debate guide a how to manual for those interested in attacking these harmful ideas head on Do you know how to articulate what is wrong with woke arguments Do you know how to defend the Western tradition against relentless onslaught from the PC Police Here is how step by step and argument by argument Become a master at identifying debunking and dismantling dangerous ideas Add your voice to the culture wars and learn precisely how to fight for tried and tested Western values values like science democracy logic rule of law and the Judeo Christian tradition of human rights and values As it turns out you can have truth or you can have political correctness but you can t have both Award winning speaker and author Douglas Kruger also provides you with supplemental how to videos on his site www.BreakingWoke.com
