wouldn't say it's a rags to riches story but I can still hardly believe that a little lad from the back streets of Manchester could have had the fun journey I have enjoyed I hope you'll travel with me through childhood and teens to the Swinging Sixties in London and Manchester where I briefly found employment as a schoolteacher and civil servant through my time as a singer songwriter record producer and pop star in Norway Oh yes I was From the seventies onward the BBC was my main focus as a producer with thirty years before the mast on the Good Ship Radio Two working with some of the all time great broadcasters like Jack Jackson Simon Bates Sir Terry Wogan Jimmy Young David Hamilton Kenny Everett Wally Whyton Anne Robinson Michael Aspel and Ken Bruce The cream on the top during those years was meeting my heroes Gene Vincent Jerry Lee Lewis Johnny Cash The Crickets John D Loudermilk Neil Sedaka and Roy Rogers Did I mention The Beatles The great northern city of Manchester was an education an inspiration an introduction to my two great passions music and sport and a springboard to explore the wider world which I did on many occasions from a very young age being regularly parcelled off to stay with relatives in Yorkshire and once to friends on the Isle of Man All this before the age of twelve when I took matters into my own hands and began a love affair with Vienna and Austria by taking part in a student exchange programme every year until I was 18 Maybe my parents were relieved to be rid of me for a period of time this is not a misery memoir but things were less than easy And I certainly enjoyed my holiday visits away from home It was always a great adventure which is how most of my life has been ever since In January 2020 I made one New Year's resolution to start writing this book I started compiling and collating dates to bring the memories into focus and as I did I realised It all started with a bass guitar A Fender Precision Bass to be exact about which I knew nothing at the time I bought it but which put me on a trajectory to a life long involvement with popular music and the rarefied atmosphere of stars and celebrity I could have called this book All About That Bass but Meghan Trainor beat me to it So it became Easily Led And Hard On His Shoes which were a couple of the many things my mother used to call me the first for being a little naïve and credulous and the second for my inability to resist kicking anything in the street be it a stone a stick or a tin can She also told me I had a mind like a butterfly So let's focus shall we and get on with the story
