Wrong Address, Right Package Bonnie R. Paulson,2025-08-01 I'm Alex a tough as nails motorcycle repo specialist who can handle any angry customer except apparently one mysterious artist named Alexander Glass His packages keep showing up at my house and I'm getting tired of playing unwilling mail service So I do what any reasonable woman would do I track him down Big mistake Xander Glass is brooding talented and completely unimpressed by my arrival on his doorstep with an armload of his misdelivered art supplies He's also devastatingly attractive in that tortured artist way that should come with a warning label Even bigger mistake I can't seem to stay away What starts as returning packages turns into fixing his equipment which turns into watching him work which turns into feelings I definitely didn't sign up for But every time we get close his sophisticated ex-wife appears to remind me that girls like me don't belong in his refined art world She's probably right I mean what does a motorcycle mechanic know about gallery openings and Italian art residencies But when Xander gets the opportunity of a lifetime six months studying in Florence everything changes Now I have to decide am I brave enough to follow my heart across an ocean or will I let fear send me back to my safe solitary life Sometimes the best love stories start with the wrong address

Take Care of Him Dawn Jaurequi,2019-05-06 I wanted to cradle his face in my hands tell him over and over who I was and to beg for forgiveness for this entire mess Instead something happened I saw him My hands were opened and poised to cradle around his face lovingly and they froze just before It's just that he came into view like never before Details of his face his eyes tiny little things like the slight gray in his beard the way his eyes were all accepting and like a veil hiding an inner war that no one notices unless you are this close Unless you were allowed to be close enough to see Like I was now With my hands just there so close I could feel the invisible around him and yet still not touching wanting to cradle his face and as all of these details flooded my senses it was as though some internal gear in my head switched Years traveled inner wars against self each one faced bravely and inner ego conquered lives saved light given breaking moments that served to only produce even more light Lips that had said too much and other times not enough when

needed Eyes that had witnessed too much and had memorized the beautiful trying to reconstruct the ugliness of the world around with the beautiful remembered there Remembered The word hung in my head Seeing Blu for the first time as though for the first time my mind became an empty house with its arms opened wide in warm welcome front and back doors opened in patient waiting for the home to be built And that single word was the only item brought in as of yet Just hanging there on the wall above the mantel Remembered How do I get Blu to remember me I touched my lips self consciously while staring at the tiny details of his own The lips that I knew kissed me gave healing soothing words and were silent but there and never leaving With the fingers that I had touched my lips I ran across his ever so lightly I love you I whispered Tears were welling up in my eyes and his face blurred in my vision His hands were on my waist and on my back and all I could think to do was to lean my forehead against his own In my head I begged God the universe the angels everything to help me get him to remember to free us both from this insanity With my forehead against his I closed my eyes and the tears came Remember me I begged
