Every issue of easyuni is organised in such a way that crucial information is succinctly delivered to you. We are also constantly exploring new mediums to maximise the reach of information to you. That's the main reason easyuni magazine was started; we found that many readers would benefit from this information in this form. We believe this is only logical as we've received an overwhelming response from our readers for the past two issues, which has motivated us to bring you even more quality content in subsequent issues. Among the many improvements on easyuni.com is the revamped course recommendation tool, a step closer towards our vision of enhancing students' capacity to make the right decisions about their tertiary education. The new course recommender is aimed at students who are not very certain about what to study, and our intelligent system recommends courses based on the personality and interests of an individual. As for the magazine, we have also listed some of the top universities in Asia that offer the courses covered in this issue, along with numerous ways to apply for them. We have what we believe is the best tertiary education advice to help you make better decisions about your future. Every bit of information is helpful in guiding you to reach your higher education goals. We enjoyed getting this magazine out to you, and we believe you'll enjoy reading every page.
