More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere

Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents

Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs

Mathematical Elegance Steven Goldberg,2017-09-08 The heart of mathematics is its elegance the way it all fits together Unfortunately its beauty often eludes the vast majority of people who are intimidated by

fear of the difficulty of numbers Mathematical Elegance remedies this Using hundreds of examples the author presents a view of the mathematical landscape that is both accessible and fascinating At a time of concern that American youth are bored by math there is renewed interest in improving math skills Mathematical Elegance stimulates students along with those already experienced in the discipline to explore some of the unexpected pleasures of quantitative thinking Invoking mathematical proofs famous for their simplicity and brainteasers that are fun and illuminating the author leaves readers feeling exuberant as well as convinced that their IQs have been raised by ten points A host of anecdotes about well known mathematicians humanize and provide new insights into their lofty subjects Recalling such classic works as Lewis Carroll s Introduction to Logic and A Mathematician Reads the Newspaper by John Allen Paulos Mathematical Elegance will energize and delight a wide audience ranging from intellectually curious students to the enthusiastic general reader
