Jess Be Yourself Blake Lamar,2016-04-07 Jess s life begins to unravel on her thirteenth birthday First she learns of her parents separation Then she s forced to spend the rest of the summer living in her grandparents camper trailer by the lake When she finally gets to come home for the first day of school she discovers that her friends have abandoned her and nothing she remembers seems to be true anymore Everyone keeps calling her Jessica when they know she goes by Jess Does she have amnesia or is everyone at school in on some elaborate joke The truth is crazier and scarier than she could have ever imagined

Token Economy Shermin Voshmgir,2025-04-20 The third edition of Token Economy is not just an update it is a reworking of a foundational book that has helped thousands make sense of how Bitcoin and other blockchain networks like Ethereum or Solana are reshaping our digital financial and political systems The book serves as an excellent primer for understanding the key aspects of the technological infrastructure as well as the decentralized applications built on top of it from DeFi to various token types and decentralized organizations It also explains the difference between DeFi CeFi and TradFi why blockchain networks can be considered the backbone of Web3 and the increasing role of AI This edition adds many practical use cases blending history systems theory and real world use cases to demystify everything from Bitcoin to Tokens and DAOs It explains how blockchain architecture token design and incentive mechanisms intersect with regulation politics and economics You ll learn how crypto rewrites money what stablecoins actually do how DAOs govern digital communities and why many token ecosystems fail not because of code but because of incentives and governance If you re learning building investing teaching or regulating in Web3 this book offers critical clarity in a field full of jargon As a longtime voice of clarity

in the crypto world the author Shermin Voshmgir weaves together historical analysis technical insight and interdisciplinary critique in a way that makes complex systems both legible and accessible The third edition includes many more use cases than previous editions and reflects a maturing industry one where many early promises of decentralization have collided with the realities of centralization custody risk regulatory capture and broken incentive design While many books on crypto focus on trading or superficial overviews the book remains rooted in systems thinking and long term relevance What This Book Offers A holistic framework for understanding Web3 infrastructure including blockchain architectures consensus mechanisms privacy scalability and the economics of decentralization A critical exploration of money and tokenization offering both historical context and future scenarios It asks hard questions about whether cryptocurrencies and stablecoins can replace fiat money and explains how financial literacy remains the first line of defense against fraud and hype A grounded analysis of decentralized autonomous organizations DAOs and purpose driven tokens using real world case studies of protocols like Bitcoin Helium Ocean Protocol and MakerDAO A design thinking framework for evaluating token incentives governance structures and stakeholder dynamics bridging political science economics cybernetics and complex systems theory Whether you re a builder policymaker regulator academic investor or simply crypto curious Token Economy will help you Understand the difference between hype and real infrastructure Explore the incentives and governance dynamics embedded in every protocol Make better decisions around investing building or regulating digital assets Bridge the gap between idealism and realism in Web3

The Narrator K.L. Slater,2023-01-06 What if the chance of a perfect life put your daughter in grave danger Being a single mother is tough but I d do anything for my little girl Scarlet I d given up on my career as a voice actor when the call came but suddenly I was the new narrator for a secret book from bestselling author Philippa Roberts who has been missing for eight months It was a lifeline for me and my daughter I hated that it meant leaving Scarlet with my ex in his perfect new home with his perfect new girlfriend But I knew it was the right thing to do But as I start reading Philippa s new novel I start to wonder if it s no coincidence that I ve been chosen to narrate it There s something hidden in the pages of this book I m sure of it Some clue to Philippa s disappearance And I don t feel safe I think I m being watched My room has been searched And then my ex s girlfriend calls in tears and everything starts to click together If I don t find answers fast I ll lose more than my second chance I ll lose my daughter A completely gripping thriller that will hook you in from the first page and leave you gasping out loud Fans of Our House The

Woman in the Window and The Wife Between Us won't be able to put The Narrator down. See what everyone is saying about The Narrator. I absolutely loved the twisty plot being set in the publishing world. The storyline kept me guessing right until the end. I couldn't put it down as I was so desperate to know what had happened to author Jtaylor. I raced through this gripping from the start. 5 WELL DESERVED STARS Goodreads reviewer. I devoured this book in one sitting. I just couldn't put it down when I started it. I was hooked from page 1. Fabulous Goodreads reviewer. Brilliant. I couldn't stop turning the pages until the shocking ending. Full of twists and turns. It was brilliant. Goodreads reviewer. Wow, what a book kept me hooked from start to finish. Goodreads reviewer. Wow, I definitely enjoyed reading this one. This book had suspense, intrigue, action, mystery, and so many crazy twists. The storyline was very interesting and had me glued to my Kindle. I highly recommend reading this book as it was well worth reading. Don't miss out on this one. Netgalley reviewer. Another corker of a book from KL Slater. As always, this was full of twists and turns, and I didn't see that ending coming. I raced through this one over the course of two nights. Brilliant Goodreads reviewer. Wow, KL Slater delivers again. Hits this one out of the park. I just love her writing style as well as every twist and turn. Such great reveals with a magic touch. Perfectly developed characters that kept me flipping pages into the night. Goodreads reviewer.
