Ramaswamy, Kerimcan Ozcan, 2014-04-09 A fundamental shift is underway that will change how we conceive of value. In an era of increasing interconnectedness individuals as opposed to institutions stand at the center of value creation. To adapt to this tectonic shift organizations can no longer unilaterally devise products and services. They must engage stakeholders from customers and employees to suppliers, partners and citizens at large as co-creators. Co-creation guru Venkat Ramaswamy and Kerimcan Ozcan call for enterprises to be mindful of lived experiences to build engagement platforms and management systems that are designed for creative collaboration and to develop win more win more strategies that enhance our wealth, welfare and well being. Richly illustrated with examples of co-creation in action. The Co-Creation Paradigm provides a

blueprint for the co creative enterprise economy and society while presenting a conceptual framework that will guide organizations across sectors in adopting this transformational approach Challenging some of our most deeply held ideas about business and value this book outlines the future of business as usual
