Striving for Justice Nat Glover,2023-08-22 On a sweltering day in August 1960 in the segregated Deep South city of Jacksonville Florida a seventeen year old Black boy finished his dishwashing job at Morrison s Cafeteria walked out the back door and found himself in the middle of a nightmare Hundreds of white men with ax handles and baseball bats were attacking Black sit in protestors in Hemming Park Suddenly surrounded the young man endured menacing blows and racist taunts He called for help from a white police officer standing nearby but no help came And he felt an unwarranted shame he determined never to feel again His name was Nat Glover Nat s life could have ended that day but instead the ordeal reinforced his plans to become a police officer His belief in a better world could have faded to cynicism but

instead it took root in his spirit His desire to overcome the poverty and racism of his youth could have given in to shame but instead Nat resolved to dedicate his life to honoring the dignity of all people Nat Glover went on to serve in law enforcement for thirty seven years became the first Black sheriff in Jacksonville Florida and the first Black sheriff in the state of Florida in over a hundred years post Reconstruction and chose again and again to do the right thing at the right time for the sake of justice compassion and truth In Striving for Justice Nat recounts his history making years in police reformation the values that fuel him as a leader and American citizen and what he believes will move this country forward toward hope and healing just as he once rose again against all odds

Outlive Peter Attia, MD, 2023-03-28 1 NEW YORK TIMES BESTSELLER OVER TWO MILLION COPIES SOLD A groundbreaking manifesto on living better and longer that challenges the conventional medical thinking on aging and reveals a new approach to preventing chronic disease and extending long term health from a visionary physician and leading longevity expert One of the most important books you ll ever read Steven D Levitt New York Times bestselling author of Freakonomics AN ECONOMIST AND BLOOMBERG BEST BOOK OF THE YEAR Wouldn t you like to live longer And better In this operating manual for longevity Dr Peter Attia draws on the latest science to deliver innovative nutritional interventions techniques for optimizing exercise and sleep and tools for addressing emotional and mental health For all its successes mainstream medicine has failed to make much progress against the diseases of aging that kill most people heart disease cancer Alzheimer s disease and type 2 diabetes Too often it intervenes with treatments too late to help prolonging lifespan at the expense of healthspan or quality of life Dr Attia believes we must replace this outdated framework with a personalized proactive strategy for longevity one where we take action now rather than waiting This is not biohacking it s science a well founded strategic and tactical approach to extending lifespan while also improving our physical cognitive and emotional health Dr Attia s aim is less to tell you what to do and more to help you learn how to think about long term health in order to create the best plan for you as an individual In Outlive readers will discover Why the cholesterol test at your annual physical doesn t tell you enough about your actual risk of dying from a heart attack That you may already suffer from an extremely common yet underdiagnosed liver condition that could be a precursor to the chronic diseases of aging Why exercise is the most potent pro longevity drug and how to begin training for the Centenarian Decathlon Why you should forget about diets and focus instead on nutritional biochemistry using technology and data to personalize your eating pattern Why striving for physical health and longevity but ignoring emotional health could be the ultimate curse of all Aging and longevity are far more malleable than we think our fate is not set in stone With the right roadmap you can plot a different path for your life one that lets you outlive your genes to make each decade better than the one before
