Thomas W. Joseph, 2009 Whew What a week that was as Canadians went from being the peaceable kingdom talking about the need for cooperation and consultation to what many described as a full blown national crisis The Prime Minister and Conservative Government had turned an economic crisis into a political crisis then a constitutional crisis And if that wasn't enough of a week's work the Prime Minister managed to also turn it into a crisis of national unity And some say Canadian politics and politicians are boring Accusations of traitor coup d'état illegitimate undemocratic loss of confidence loss of trust socialist separatist and deals with the devil reverberated across the floor of the House of Commons Each of the crisis that engulfed the Hill over those eight days had political consequences for those involved and for the parliamentary system Stephen Harper may have survived to fight another day but in doing so he may have committed his most serious strategic error and will pay a heavy price for it over the

JOHN MacKAY John MacKay is one of Scotland's best known broadcasters. His career as a reporter, anchor, and presenter has spanned from the Thatcher Years to the Independence Referendum and beyond. MacKay has been witness to the major stories in the country's recent past. There have been the tragedies of Lockerbie, Dunblane, and Clutha; sporting triumphs and tears; the opening of the new Scottish Parliament; the drama of parliamentary elections and referendums; interviews with Prime Ministers and First Ministers; and the death of Donald Dewar. From being in a room with a grizzly bear to trying to calm an irate and topless Alex Salmond, MacKay's career has been nothing if not varied. Using archive scripts, interview transcripts, recollections, and personal diaries, he tells the story of one of the most tumultuous periods in Scotland's peacetime history.
