Early Access Deals Weekly Ad This Month:

Survey of Current Business, 1926

Get Consistent Sales Without Paid Traffic: The Organic Selling System

Simon Schroth, 2025-04-05 Paid ads can be costly and often don't deliver the results you expect. Get Consistent Sales Without Paid Traffic teaches you how to build a system that generates consistent sales without relying on paid traffic. This book explores organic strategies to bring in customers and grow your business without spending on advertising. You'll learn how to optimize your content, leverage social media, build relationships with your audience, and create a referral system that fuels growth. The book covers the fundamentals of SEO, content marketing, email marketing, and community building, giving you a comprehensive strategy to generate sales and leads without spending on ads. By following the steps in Get Consistent Sales Without Paid Traffic, you'll create a solid foundation of organic traffic and learn how to convert that traffic into consistent sales. Whether you're in e-commerce, coaching, or any service-based business, this book shows you how to scale your business without depending on paid ads. If you're looking for sustainable, cost-effective growth, this book provides the tools to help you achieve it.

New Zealand Farmer Weekly, 1924

Make Digital Offers That Outlive Trends: Evergreen Sales

Systems That Work Forever Sybex Books, 2025-06-23 Trends fade. Timeless value lasts. Make Digital Offers That Outlive Trends is a guide for creators and entrepreneurs ready to build digital products that keep selling long after the hype dies down. You don't need to jump on every new tactic or chase every algorithm shift. What you need is an offer that solves a real problem with a clear result, wrapped in a message that stays relevant across seasons, platforms, and niches. This book helps you build that offer and the systems that keep it moving without your constant reinvention. Map out your evergreen product strategy, design a timeless customer journey, and build sales automations that grow with you. Stop launching from scratch. Start building an asset. This isn't about trends; it's about legacy. Digital wealth comes from simplicity, structure, and resonance. And when your offer is rooted in transformation, not tactics, it won't expire when the market shifts. Build once. Refine with data. Sell forever.

[Guerrilla Marketing Volume 1](#)

Jay Conrad Levinson, Jason Myers, Merrilee Kimble, 2021-10-05 Guerrilla Marketers are unique, and they know it, and promote it. Therefore, Jason Myers and Merrilee Kimble had to ask themselves: How can we make this book unique? After all, Guerrilla Marketing, since the original Guerrilla Marketing book was introduced by Jay Conrad Levinson in 1984, has supported and empowered entrepreneurs, small and medium-sized businesses, solopreneurs, and people with ideas that they think can be a business. Where does it all begin? That's a simple answer with a strong foundation of Guerrilla Marketing. Jason and Merrilee spend the first section reviewing the strong foundational elements of Guerrilla Marketing and spend the remaining sections of Guerrilla Marketing sharing today's Guerrilla Marketing tactics, tools, and tips. These are the Guerrilla Marketing resources that every business needs to succeed and generate profits. They also offer a FREE companion course to help entrepreneurs continue to build their rock-solid Guerrilla Marketing foundation. In the companion course, Jason and Merrilee dive deeper with video tutorials, exercises, and the tools

entrepreneurs need to build that crucial foundation from which their Guerrilla Marketing success will be born Guerrilla Marketing also contains 70 free online tools for small businesses Jason and Merrilee are continuing Jay Conrad Levinson's unconventional system of marketing By understanding not only what marketing is but why it works they give small and medium sized businesses SMBs the opportunity to think and grow big When the power of one's SMB is understood and what they can do with Guerrilla Marketing it not only levels the playing field with competition but it also tilts the playing field to their advantage Printers' Ink; the ...
