Directory of Corporate Counsel, 2025 Edition In house, **Community Series in Trends in Neuroimmunology: cross-talk between brain-resident and peripheral immune cells in both health and disease, volume II** Estela Maris Muñoz,Rajnikant Mishra,Veronica Martinez Cerdeño ,Shashank Kumar Maurya,Janina Edith Borgonovo,Suryanarayan Biswal ,Carlos Leandro Freites,2025-08-21 The functional anatomy of organisms is maintained by the coordination of different systems that often rely on particular interactions between specialized cells and between macromolecules The immune system works with the circulatory and the lymphatic systems to protect most of the organs However some organs are considered immune privileged due to the presence of highly selective and regulated barriers such as the blood brain barrier BBB within the brain The BBB controls periphery brain molecule exchange and prevents immune effector cells from entering the homeostatic brain BBB associated elements such as endothelial cells pericytes astrocytes and microglia potentially can function as antigen presenting cells APC Pathological scenarios that induce dysfunction of the BBB and its associated cells may lead to the infiltration of lymphocytes crossing over from the blood to brain Similarly traumas can also enable B and T lymphocytes to pass bidirectionally between the CNS and the periphery via the meningeal lymphatic vessels which drain into

the cervical lymph nodes Research in animals and in humans has revealed that B and T cells are involved in the progression of neurological diseases It has been showed that under particular conditions T cells establish themselves and become resident in the brain TRM cells from where they can either exert beneficial or detrimental effects on brain function Amazing efforts have been made to further comprehend interactions between brain specific cells and peripheral immune cells and especially their roles and impact on the onset progression and eventual resolution of diverse brain pathologies

Decolonizing Our Names in the 21st Century Lauren Beck, Grace A. Gomashie, 2025-09-10 This book combines different decolonial approaches from around the world to offer a roadmap for updating names and naming practices restoring and protecting precolonial ones and reimagining or recontextualizing the relationship between place identity and names In a postcolonial context naming often serves as a bitter reminder of past harms through commemorative naming practices whether through a system of baptismal names or a former colony's approach to dealing with the names that the colonizer left behind This volume assembles authors who hail from formerly colonized regions of the Americas Europe Africa and Asia to engage with this problem of decolonizing names in the twenty first century from a global perspective The book also points to what strategies have had more success than others while envisioning the tools needed for progress in the future Offering a useful framework with approaches that can easily be used across other geographical contexts this volume is suitable for scholars and students interested in decolonization identity and naming practices

The Death Keeper Pasquale De Marco, 2025-05-10 In the heart of Boston where the New England Phantoms prepare for their inaugural NFL season tragedy strikes leaving the franchise reeling from the untimely death of a rising star As the team grapples with grief and uncertainty Harry Krisman a seasoned detective haunted by his past and Kell Thorne a brilliant but defrocked judge join forces to investigate the mysterious circumstances surrounding the player's demise Their investigation leads them deep into the dark underbelly of the NFL where they uncover a web of secrets lies and hidden agendas The sudden and unexplained deaths of wide receivers both young and old have become all too common raising suspicions of foul play As Krisman and Thorne dig deeper they uncover a chilling pattern of misfortune that has plagued the Phantoms receiving corps for years Their pursuit of the truth leads them on a twisted journey through the dark web where anonymous threats and cyberbullying tactics have become weapons of psychological warfare They must navigate the treacherous landscape of online harassment deciphering cryptic messages and tracking down the source of the terror that has gripped the team Amidst the chaos and despair Krisman and Thorne become symbols of resilience and determination Their unwavering pursuit of justice serves as a beacon of hope for the team and the shattered community As they delve into the depths of the darkness they discover the strength of the human spirit the power of redemption and the eternal battle between good and evil In *The Death Keeper* Pasquale De Marco weaves a gripping tale of intrigue suspense and the indomitable will to overcome adversity This thought provoking exploration of the human condition will keep readers on the edge of their seats from beginning to end If you like this book
