Multimodal Discourse The Modes And Media Of Contemporary Communication:

Multimodal Discourse Gunther R. Kress, Theo Van Leeuwen, 2001 Drawing on a wide range of examples Kress and Van Leeuwen outline an approach to social discourse in which colour plays a role equal to language and show how two kinds of thought processes interact in the design and production of communicative messages design thinking and production thinking the kind of thinking which occurs in direct interaction with the materials and media used Above all the authors stress communicative practice and interactivity Their question throughout is how do people use communicative modes and media in actual concrete interactive instances of communicative practice This book is a text for courses in language media and communication willing to take on the theoretical challenges posed by multimodality multimedia and multi skilling and it provides inspiring theoretical input for courses in interactive multimedia design **BOOK JACKET** *Perspectives on Multimodality* Eija Ventola, Cassily Charles, Martin Kaltenbacher, 2004 This volume sign posts several paths of multimodality research and theory building today The chapters represent a cross section of current perspectives on multimodal discourse with a special focus on theoretical and methodological issues mode hierarchies modelling semiotic resources as multiple semiotic systems multimodal corpus annotation In addition it discusses a wide range of applications for multimodal description in fields like mathematics entertainment education museum design medicine and translation **Multimodality in Canadian Black Feminist Writing** Maria Caridad Casas, 2009 This book develops a theory of multimodality the participation of a text in more than one mode centred on the poetry poetics of Lillian Allen Claire Harris Dionne Brand and Marlene Nourbese Philip How do these poets represent oral Caribbean English Creoles CECs in writing and negotiate the relationship between the high literary in Canadian letters and the social and historical meanings of CECs How do the latter relate to the idea of female and black Through fluid use of code and mode switching the movement of Brand and Philip between creole and standard English and written orality and standard writing forms part of their meanings Allen s eye spellings precisely indicate stereotypical creole sounds yet use the phonological system of standard English On stage Allen projects a black female body in the world and as a speaking subject She thereby shows that the implication of the written in the literary excludes her body s language as performance and she embodies her poetry to realize a language alternative to the colonizing literary Harris s creole writing helps her project a fragmented personality a range of dialects enabling quite different personae to emerge within one body Thus Harris Brand Philip and Allen both project the identity female and black and explore this social position in relation to others Considering textual multimodality opens up a wide range of material connections Although written this poetry is also oral if oral then also embodied if embodied then also participating in discourses of race gender sexuality and a host of other systems of social organization and individual identity Finally the semiotic body as a mode i e as a resource for making meaning allows written meanings to be made that cannot otherwise be expressed in writing In every case Allen Philip Harris and Brand escape the constraints of dominant media refiguring

language via dialect and mode to represent a black feminist sensibility Discourses, Modes, Media and Meaning in an Era of Pandemic Sabine Tan, Marissa K. L. E., 2022-09-30 The COVID 19 pandemic has affected all aspects of our everyday lives from the political to the economic to the social Using a multimodal discourse analysis approach this dynamic collection examines various discourses modes and media in circulation during the early stages of the pandemic and how these have impacted our daily lives in terms of the various meanings they express Examples include how national and international news organisations communicate important information about the virus and the crisis the public's reactions to such communications the resultant counter discourses as manifested in social media posts and memes as well as the impact social distancing policies and mobility restrictions have had on people's communication and interaction practices The book offers a synoptic view of how the pandemic was communicated represented and re-contextualised across different spheres and ultimately hopes to help account for the significant changes we are continuing to witness in our everyday lives as the pandemic unfolds This volume will appeal primarily to scholars in the field of multimodal discourse analysis It will also be of interest to researchers and graduate students in other fields whose work focuses on the use of multimodal artefacts for communication and meaning making The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Fictionality and Multimodal Narratives* Torsa Ghosal, Alison Gibbons, 2023-08 Fictionality and Multimodal Narratives interrogates the relationship of fictionality and the multimodal use of fact in modern narrative construction *Multimodality and Identity* Theo van Leeuwen, 2021-07-28 This book brings together the work of leading theorist Theo van Leeuwen on typography colour texture sound and movement and shows how they are used to communicate identity both corporate and individual The book provides a detailed approach to analysing the key elements of multimodal style and shows how these can be applied to a wide range of domains including typography product design architecture and animation films Combining sociological insights into contemporary forms of identity with multimodal approaches to analysing how these identities are expressed the text is richly illustrated with examples from fashion the built environment logos modern art and more With sample analyses this user friendly text provides clear methods for analysis and creative strategies for the practice of multimodal communication Providing an invaluable toolkit to analysing the key elements of multimodal design and the way they work together this book is essential reading for students teachers and researchers in the field of multimodal communication whether in communication studies linguistics design studies media studies or the arts City Branding and New Media M.
