Mulk Raj Anand,2014-07-14 Author of more than a dozen novels short stories and critical writings Mulk Raj Anand alongwith Raja Rao and R K Narayan is frequently referred to as founding father of Indo English writing Anand s prolific writing career spanned more than 75 years For him the written word was a medium through which he voiced his social protest He wrote extensively on political instability class and caste exploitation corruption and abject poverty in India and other parts of the world This choice selection of his early stories develops the high pitch of excellence which his readers later came to expect from him With a sensitiveness which is uniquely tender and an imaginative fervour which is contagious he explores some odd corners of the Indian soul and shows the technical virtuosity of a master of the short story form All the moods are represented here from lyricism and satire to the macabre intensity of the Lament on the Death of Master of Arts Above all his book is inspired by the gift of laughter and a sense that the world is mad which has from the beginning characterized the works of Mulk Raj Anand and through which he has called attention to a great deal of our tinsel glory and mawkish despair Always however Anand s fiction reveals a deep sympathy and valiant humanism the graces of one of the finest and most gifted writers of our time Mirages of the Mind Mushtaq Ahmed Yousufi,2014-05-20 Mushtaq Ahmed Yousufi s last

published work Mirages of the Mind traces an arc of nostalgia between Pakistan and India Its main characters Indian Muslim immigrants to Pakistan reminisce about and long for an impossible return to their pre Partition life in India The book s lightly fictionalized anecdotes both humorous and poignantly sad form a treasure trove of the arcana and subtle differences of twentieth century Muslim life in the subcontinent A cultural memoir multi layered biography and anecdotal chain Mirages of the Mind chronicles a milieu that has all but disappeared Its narratives portray the hardships heartbreak and humour of

colonial north Indian Muslim life and its subsequent forms in post colonial India and Pakistan The book s central character Basharat serves the role of a wise fool equally ridiculous and full of penetrating bizarre sense Basharat s tales about his friends paint a rare and perhaps the last authentic picture of the literary and cultural life of South Asia s Urdu speakers The first Urdu anthologies recalled the lives of poets exclusively in anecdotes With *Mirages of the Mind* Mushtaq Ahmed Yousufi rekindles this form and briefly illuminates the beauty of a culture that is fast receding into the darkness of the past *In Search of the Universal God*.
