Troy Taylor, 2010-09-24 From the secrets of Joliet Penitentiary to the ferocious gunfights between the Ku Klux Klan and the Shelton Gang Troy Taylor takes the measure of the dishonest sweat and innocent blood poured into the prairies of Northern Illinois Meet the fallen angels of Decatur's red light district the Springfield counterfeiters who bungled stealing Lincoln's bones and the Aurora man who propped up his porch with the heads of his wife and brother in law And if you dare eavesdrop on the chilling confession of a man who left a dancer's corpse to the mercy of the railroad tracks So I pat them on the cheek call them sweet names and kill them

The Deritualization of Death Charles Lynn Gibson, 2019-10-15 The problematic field of investigation for this study was for the care of bereaved human beings in the context of significant cultural shifts now shaping the twenty first century Deritualization was identified as a significant interdisciplinary concern that contributes to potential distress in processes of grieving The objective of the research was the development of a practical theology of compassionate caregiving for the bereaved with deference to the problem of deritualization The theoretical framework was guided by the Oxford Interdisciplinary Research model and the Loyola Institute of Ministries model of practical theology The study was designed for applied research for funeral directors and vocational pastors utilizing qualitative research methods Hermeneutical and empirical components addressed six research questions through two domains of inquiry disciplinary perspectives and educational dynamics of bereavement caregiving Using the method of hermeneutics to critically evaluate the first two research questions three disciplinary fields of knowledge were examined and integrated from the perspective of pastoral care funeral service bereavement psychology and practical theology Each discipline individually converged upon meaningful caregiving meaning reconstruction and meaning reframing as significant modes of bereavement care Using ethnographic semi structured interviews to critically evaluate the remaining four research questions data were collected from a Christian university and a mortuary college The interview questionnaire included twenty five main questions organized in four parts Philosophy of Education Hermeneutics of Bereaved Families Care of Bereaved Families and Encounter of Bereaved Families The study utilized two cycles of qualitative coding techniques to report the findings of each participating school A hybrid form of in vivo and holistic coding as well as a second cycle of pattern coding distilled the interview responses into actionable statements that reinforced bereavement caregiving By synthesizing all of the findings a compelling case was made for a paradigm of comforting presence supported by principles from a Louwian perspective of practical theology including theological anthropology promissiotherapy bipolarity and hermeneutics The study connected a philosophy of meaning reframing and a paradigm of comforting presence to a meta theoretical framework within a narrative approach to care The research elucidated an interdisciplinary understanding that contributed toward a compassionate practical theology of caregiving for the bereaved

Clarence Washington Sr.,2021-06-24 In this four volume series Hijacked How Dr King's Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King's dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it's time to wake up In the third volume of the Hijacked collection The Nightmare the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King's dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King's dream a reality instead of watching it morph into something dark The Nightmare is an exposition of the tragic evidence of America's imminent loss of her exceptional nation status and the opportunity to make Dr King's dream a reality For the full dissection of Dr King's dream and how our failure to adhere to its
