Mutants And Mystics Mutants And Mystics:

Mutants & Mystics Jeffrey J. Kripal, 2011-09-30 In many ways twentieth century America was the land of superheroes and science fiction From Superman and Batman to the Fantastic Four and the X Men these pop culture juggernauts with their powers and abilities far beyond those of mortal men thrilled readers and audiences and simultaneously embodied a host of our dreams and fears about modern life and the onrushing future But that's just scratching the surface says Jeffrey Kripal In *Mutants and Mystics* Kripal offers a brilliantly insightful account of how comic book heroes have helped their creators and fans alike explore and express a wealth of paranormal experiences ignored by mainstream science Delving deeply into the work of major figures in the field from Jack Kirby's cosmic superhero sagas and Philip K Dick's futuristic head trips to Alan Moore's sex magic and Whitley Strieber's communion with visitors Kripal shows how creators turned to science fiction to convey the reality of the inexplicable and the paranormal they experienced in their lives Expanded consciousness found its language in the metaphors of sci fi incredible powers unprecedented mutations time loops and vast intergalactic intelligences and the deeper influences of mythology and religion that these in turn drew from the wildly creative work that followed caught the imaginations of millions Moving deftly from Cold War science and Fredric Wertham's anticomics crusade to gnostic revelation and alien abduction Kripal spins out a hidden history of American culture rich with mythical themes and shot through with an awareness that there are other realities far beyond our everyday understanding A bravura performance beautifully illustrated in full color throughout and brimming over with incredible personal stories *Mutants and Mystics* is that rarest of things a book that is guaranteed to broaden and maybe even blow your mind

Teenage Mutant Ninja Turtles: Reborn, Vol. 5—Mystic Sister Sophie Campbell, 2022-11-09 Turtles vs frogs Will Mutant Town crumble when a territorial new group the Punk Frogs challenges the boys for control New characters and new threats emerge as the Turtles struggle to maintain a hold on the city First the Turtles celebrate the holidays but feel the absence of Master Splinter With tensions climbing in the neighborhood can they find their way back to the spirit of the season before disaster strikes Then a mysterious new figure arises Who is Dr Jasper Barlow and what will some of our heroes do when he makes them an offer they may find hard to refuse and reveals his most prized creation VENUS Plus the Triceratons are back A tense situation goes from bad to worse as they face off against the Utroms Collects issues 124 130 of IDW's *Teenage Mutant Ninja Turtles*
