

A black and white photograph of a young man, Leonard Pitt, sitting in the driver's seat of a vintage car. He is wearing a dark jacket over a light-colored turtleneck and a dark beret. He is looking directly at the camera with a serious expression. The car is parked on a street in Paris, with a building in the background that has a sign that reads "CHAUSSURES DESH". The overall mood is contemplative and artistic.

My Brain On Fire Paris And Other Obsessions:

My Brain on Fire Leonard Pitt,2016-03-01 This is Leonard Pitt s story of growing up the misfit in Detroit in the 1940s and 50s In a later age he would have been put on Ritalin and paraded before psychiatrists because he couldn t pay attention in school In 1962 at the end of a misguided foray towards a career in advertising he took the ultimate cure a trip to Paris He thought it would only be a visit He stayed seven years There in the City of Light Leonard s mind exploded And it hasn t stopped since Studying mime with master Etienne Decroux and living in Paris were the university he never knew This inspiration unleashed a voracious appetite to understand the why of things He asked a simple question Why did the ballet go up While building a theatre career performing and teaching he embarked on a quest to study the origins of the ballet the history of early American popular music the pre Socratic philosophers early modern science the European witch hunt the history of Paris and more To his unschooled mind it all fits together Who would see a historical arc between Louis XIV and Elvis Presley Leonard does And he ll tell you about it

My Brain on Fire Leonard Pitt,2016-03-15 This is Leonard Pitt s story of growing up the misfit in Detroit in the 1940s and 50s In a later age he would have been put on Ritalin and paraded before psychiatrists because he couldn t pay attention in school In 1962 at the end of a misguided foray towards a career in advertising he took the ultimate cure a trip to Paris He thought it would only be a visit He stayed seven years There in the City of Light Leonard s mind exploded And it hasn t stopped since Studying mime with master Etienne Decroux and living in Paris were the university he never knew This inspiration unleashed a voracious appetite to understand the why of things He asked a simple question Why did the ballet go up While building a theatre career performing and teaching he embarked on a quest to study the origins of the ballet the history of early American popular music the pre Socratic philosophers early modern science the European witch hunt the history of Paris and more To his unschooled mind it all fits together Who would see a historical arc between Louis XIV and Elvis Presley Leonard does And he ll tell you about it

Dickens and the City Jeremy Tambling,2017-03-02 Dickens s relationship to cities is part of his modernity and his enduring fascination How he thought about grasped and conceptualised the rapidly expanding and anonymous urban scene are all fascinating aspects of a critical debate which starting virtually from Dickens s own time has become more and more active and questioning of the significance of that new thing the unknown and unknowable city Although Dickens was influenced by several European and American cities the most significant city for Dickens was London the city he knew as a boy in the 1820s and which developed in his lifetime to become the finance and imperial capital of the nineteenth century His sense of London as monumental and fashionable modern and anachronistic has generated a large number of writings and critical approaches Marxist sociological psychoanalytic and deconstructive Dickens looks at the city from several aspects as a place bringing together poverty and riches as the place of the new and of chance and coincidence and of secret lives exposed by the special figure of the detective Another crucial area of study is the relationship of the city to women and women s place in the city as well as the way

Dickens's London matches up with other visual representations This anthology of criticism surveys the field and is a major contribution to the study of cities city culture modernity and Dickens It brings together key previously published articles and essays and features a comprehensive bibliography of work which scholars can continue to explore Notre-Dame de Paris Victor Hugo, 2004-03-25 In the vaulted Gothic towers of Notre Dame lives Quasimodo the hunchbacked bellringer Mocked and shunned for his appearance he is pitied only by Esmerelda a beautiful gypsy dancer to whom he becomes completely devoted Esmerelda however has also attracted the attention of the sinister archdeacon Claude Frollo and when she rejects his lecherous approaches Frollo hatches a plot to destroy her that only Quasimodo can prevent Victor Hugo's sensational evocative novel brings life to the medieval Paris he loved and mourns its passing in one of the greatest historical romances of the nineteenth century Notre-Dame of Paris Victor Hugo, 2024-05-09 Under the shadow of a great cathedral destinies entwine in the most unlikely of love stories Notre Dame of Paris pours life into the stones of medieval Paris a city of hunchbacks and gypsies priests and poets all watched over by the brooding towers of Notre Dame In Victor Hugo's richly imagined 1831 novel the bells of the famous cathedral ring with drama heralding a tale of passion deformity faith and the relentless passage of time From the moment of its publication in 1831 Notre Dame of Paris was both a popular and critical triumph Readers in France and soon across Europe were enthralled by Hugo's depiction of 15th century Paris and the poignant figure of Quasimodo the cathedral's bell ringer with his misshapen body and gentle heart In English speaking countries the book became known as The Hunchback of Notre Dame a title that emphasized its most memorable character and helped propel the novel to international fame The public's response was so impassioned that it sparked something remarkable a newfound appreciation for Gothic architecture Paris's actual Notre Dame Cathedral long neglected after the French Revolution suddenly became a symbol worth saving Hugo's novel effectively shamed the city into restoring its medieval monuments a fact often credited as the book's greatest real world influence By the 1840s a major renovation of Notre Dame was underway driven in part by the public sentiment Hugo had stirred On one level Notre Dame of Paris is a gripping romantic thriller a pure hearted beauty caught between the adoration of a monster and the lust of a zealot moving toward a fate as inexorable as a tolling bell On another level Hugo uses this story to explore grand ideas He contrasts medieval faith with the dawn of modern skepticism the permanence of stone with the fragility of human lives This will kill that he famously writes suggesting that the printed book knowledge progress will doom the old cathedral superstition the past Yet Hugo's own compassion lies with the downtrodden He makes the misshapen Quasimodo into a figure of immense pathos and heroism illustrating the Romantic belief that true beauty and nobility can reside in the most overlooked beings The novel also brims with social commentary on class injustice clergy corruption and the fickle nature of public opinion Hugo only 29 years old but already a leading Romantic intended the book to be a wake up call to preserve France's cultural treasures many medieval buildings were being destroyed or defaced at the time Indeed the success of the novel directly led

to greater awareness and preservation of Gothic architecture Philosophically the story grapples with fate versus free will each character's tragedy seems preordained by their own nature and society's constraints The book's French title underscores its broader focus it's not just Quasimodo's tale but the saga of a grand cathedral and a bygone era Almost two centuries later Notre Dame of Paris remains a beloved masterpiece It reminds readers that love and cruelty sanctuary and injustice can all coexist in one city and that a single novel can rescue a cathedral from ruin and enshrine a hunchback in the world's heart This critical reader's edition presents a modern translation of the original manuscript crafted to help the armchair philosopher engage deeply with Hugo's works through clean contemporary language and streamlined syntax that clarifies his expansive ideas Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Hugo's history impact and intellectual legacy an index of the themes and philosophical concepts he employs emphasizing Romanticism social justice and moral idealism a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships including his relationship with Charles Dickens and political commitments that shaped his vision

Spain in Mind Alice Leccese Powers, 2008-12-10 This spellbinding literary travel guide gathers poetry nonfiction and fiction about Spain by forty English and American writers Here are letters and memoirs from Lord Byron Edith Wharton and Henry James a poem about Picasso by E. E. Cummings and a comic tale by Anthony Trollope in which two Englishmen mistake a Spanish duke for a bullfighter W. H. Auden George Orwell and Langston Hughes record their experiences in the Spanish Civil War Ernest Hemingway takes on bullfighting Richard Wright is beguiled by gypsy flamenco dancers and Calvin Trillin pursues an obsession with Spanish peppers From Chris Stewart's memoir of his rural retreat in *Driving Over Lemons* to Barbara Kingsolver's idyllic portrait of the Canary Islands in *Where the Map Stopped* the glimpses of another world in *Spain in Mind* will enchant you From the Trade Paperback edition

Comparative Literature, 1978

A Fire in His Soul Miles J. Unger, 2025-03-04 The fascinating story of Vincent van Gogh's two groundbreaking years in Paris where he transformed himself from a provincial unknown into one of the world's great visionary artists Vincent Van Gogh arrived in the French capital on the last day of February 1886 a month short of his thirty-third birthday He was a man beaten down by life half-starved and nearly broken psychologically He was saved by his brother Theo who provided him with room board and most crucially emotional support while he attempted to master the difficult craft of painting Thus far Vincent's crude scenes of peasant life rendered in murky shades of brown and gray were both hackneyed and amateurish Theo a successful art dealer at a prestigious Parisian firm dismissed them as gloomy unappealing and worst of all unmarketable By the time Vincent left Paris almost exactly two years later he'd transformed himself into one of the most original artists of the age turning out works of hallucinatory intensity in vivid hues and stamped with his own distinctive personality *A Fire in His Soul* chronicles this remarkable transformation It's a tale filled with tragedy and triumph personal anguish and creative fulfillment as Vincent through sheer force of will

reinvents himself as a painter of unparalleled expressive power Along the way the reader will discover an unfamiliar Van Gogh not the solitary genius of the popular imagination shunned by an uncomprehending world and conjuring masterpieces from the depths of his lonely soul In Paris he was at the center of a community of like minded seekers Here Van Gogh was able to engage in a lively dialogue with fellow artists almost as daring as he was expanding his notion of what art could and should be It was in the cafes and studios of Montmartre and in the grand galleries of the Louvre and Luxembourg that Van Gogh received his artistic education a crash course that at first disoriented him but ultimately sparked his creative breakthrough Working alongside such legendary figures as Gauguin Toulouse Lautrec Seurat and Signac he found his voice and launched an artistic revolution

The Smart Set ,1916 **The Cambridge Companion to Nineteenth-Century American Poetry** Kerry C. Larson,2011-12 The first critical collection of its kind devoted solely to this subject this

Companion covers both well known and lesser known poets **American Magazine** ,1927 *American Illustrated Magazine* ,1927 **The Pallid Giant** Pierrepont Noyes,1927 Germany on the Brain Leopold James Maxse,1915

Bulletin of the Atomic Scientists ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Baudelaire's Revenge** Bob Van Laerhoven,2014-04-15 It is 1870 and Paris is in turmoil As the social and political turbulence of the Franco Prussian War roils the city workers starve to death while aristocrats seek refuge in orgies and s ances The Parisians are trapped like rats in their beautiful city but a series of gruesome murders captures their fascination and distracts them from the realities of war The killer leaves lines from the recently deceased Charles Baudelaire s controversial anthology *Les Fleurs du Mal* on each corpse written in the poet s exact handwriting Commissioner Lef vre a lover of poetry and a veteran of the Algerian war is on the case and his investigation is a thrilling intoxicating journey into the sinister side of human nature bringing to mind the brooding and tense atmosphere of Patrick Susskind s *Perfume* Did Baudelaire rise from the grave Did he truly die in the first place The plot dramatically appears to extend as far as the court of the Emperor Napoleon III A vivid intelligent and intense historical crime novel that offers up some shocking revelations about sexual mores in 19th century France this superb mystery illuminates the shadow life of one of the greatest names in poetry A Sundial in a Grave: 1610 Mary Gentle,2009-10-13 First rate speculative fiction from a very talented writer and a fascinating evocation of a turbulent deeply significant moment in European history Washington Post Book World A sweeping picaresque historical novel about two dueling swordsmen and the plot to kill a king in Renaissance Europe A Sundial in a Grave is Shakespeare in Love meets The Three Musketeers with a distinct edge 1610 Continental Europe is briefly at peace after years of war but Henri IV of France is planning to invade the German principalities In England only 5 years earlier conspirators nearly succeeded in blowing up King James I and his Parliament The seeds of the English Civil War and the Thirty Years War are visibly being sown and the possibility for both

enlightenment and disaster abounds But Valentin Rochefort duellist down at heels aristocrat and spy for the Duc de Sully France s powerful finance minister could care less Until he is drawn into the glittering palaces bawdy back streets and stunning theatrics of Renaissance France and Shakespearian London in a deadly plot to both kill King James I and to save him Determined to save his liege Sully Rochefort s journey will take him as far away as the distant Nippons and as close as the truths of his own heart This swordsman without a conscience is about to find himself caught between loyalty love and blackmail between kings queens politicians and Rosicrucians and the woman he has unknowingly crossed land and sea to meet

The Dazzling Paget Sisters Ariane Bankes,2025-04-29 For fans of Nancy Mitford s *The Pursuit of Love* this is the real life story of Celia and Mamaine Paget devoted twins whose lives and loves traversed the intellectual currents and crises of mid twentieth century Europe Rupert Christiansen After the prominent London literary socialite Celia Goodman nee Paget died in 2002 her daughter Ariane Bankes inherited a battered trunk stuffed with letters and diaries that belonged to Celia and her identical twin sister Mamaine This correspondence charted two remarkable lives spent amongst a remarkable cast of characters who were at the heart of their age including Arthur Koestler Albert Camus Jean Paul Sartre Simone de Beauvoir and George Orwell Throughout a secluded childhood in the country with their widowed father boarding school and Swiss finishing school they remained inseparable As debutantes they took 1930s London by storm rejecting conventional suitors in favor of life together amongst the city s bohemian intelligentsia During the war and after they were at the side of Europe s foremost intellectuals as coworkers close friends and lovers This captivating memoir is an intimate portrait of a lost age and the male thinkers who dominated it as seen through women s eyes Above all it s the tale of two devoted sisters remarkable women both
