My Bright Abyss Meditation Of A Modern Believer:

My Bright Abyss Christian Wiman, 2013-04-02 A passionate meditation on the consolations and disappointments of religion and poetry , **Zero at the Bone** Christian Wiman, 2023-12-05 Christian Wiman braids poetry memoir and criticism to create an inspired career defining work Few contemporary writers ask the questions about faith morality and God that Christian Wiman does and even fewer perhaps none do so with his urgency and eloquence Wiman an award winning poet and the author of *My Bright Abyss* lays the motion of his mind on the page in this genre defying work an indivisible blend of poetry criticism theology and searing memoir As Marilynne Robinson wrote Wiman's poetry and his scholarship have a purifying urgency that is rare in this world It enables him to say new things in timeless language so that the reader's surprise and assent are one and the same *Zero at the Bone* begins with Wiman's preoccupation with despair and through fifty brief pieces he unravels its seductive appeal The book is studded with the poetry and prose of writers who inhabit Wiman's thoughts and the voices of Wallace Stevens Lucille Clifton Emily Dickinson and others join his own At its heart and Wiman's however are his family his young children who ask their own invaluable questions like Why are you a poet I mean why his wife and those he grew up with in West Texas Wiman is the rare thinker who takes on the mantle of our greatest mystics and does so with an honest profound and contemporary sensibility *Zero at the Bone* is a revelation *Every Riven Thing* Christian Wiman, 2010-11-09 A collection of poems explores both sorrow and joy presenting an optimistic celebration of life and love while acknowledging man's ultimate mortality **Hammer Is the Prayer** Christian Wiman, 2016-11-15 A visionary selection from one of America's foremost poets One of the most distinctive voices in contemporary American poetry Christian Wiman has forged a singular style that fuses a vivid and propulsive music with clear eyed realism wry humor and visionary lament In his daring and urgent *The New York Times Book Review* memoir *My Bright Abyss* he asks What is poetry's role when the world is burning *Hammer Is the Prayer* Selected Poems might be read as an answer to that question From the taut forms of his first book to the darker more jagged fluencies of his second into the bold and pathbreaking poems of his last two collections *Hammer Is the Prayer* bears the reckless restless interrogations and the slashing lyric intensity that distinguish Wiman's verse But it also reveals the dramatic and narrative abilities for which he has been widely praised the junkyard man in *Five Houses Down* with his wonder cluttered porch and the eyesore opulence of his five partial cars or the tragicomic character in *Being Serious* who suffers the world's idiocy like a saint its pains *Hammer Is the Prayer* brings together three decades of Wiman's acclaimed poetry Selected by the author these poems reveal the singular music and metaphysical urgency that have attracted so many readers to his work and firmly assert his place as one of the most essential poets of our time *Secularism and the Pursuit of Transcendence, Volume II* Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try

to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us
