Multiply Disciples Making Disciples:

Multiply Francis Chan, Mark Beuving, 2012-11-01 Jesus gave his followers a command Follow me And a promise And I will equip you to find others to follow me We were made to make disciples Designed for use in discipleship relationships and other focused settings Multiply will equip you to carry out Jesus's ministry Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply One plus one plus one Every copy of Multiply is designed to do what Jesus did make disciples who make disciples who make disciples Until the world knows the truth of Jesus Christ **Make Disciples That Make Disciples** Tim Garland, 2020-02-06 The church does great things in the name of Jesus feed the hungry clothe the naked put roofs over the heads of the homeless fight for civil rights provide for the needs of children and many more good deeds These acts are living out the hands and feet of Jesus to a lost world meeting these immediate needs These acts Glorify God however are they fulfilling the great commission This book was written primarily as a means of teaching how to make disciples that make disciples How do we fulfill the great commission Should the great commission be the mission of the church Is it in mine Why not This book was designed with small same gender groups in mind After the first 7 chapters explaining what discipleship is and how to do it each chapter thereafter fills in the content of discipleship Chapters 8-28 each have seven verses listed at the end of the chapter for further study on the topic of the chapter To best utilize this book as a training manual I advise each person to use those seven verses as their personal time alone with God verse of the day If you followed the plan of each verse at the end of the chapter as daily bible study and read one chapter per week then this book would cover approximately 6 months of training My hope is that each person who takes this training manual seriously would then take others through the same training that we would make disciples that make disciples **Disciple Making Is . . .** Dave Earley, Rod Dempsey, 2013-08-01 Disciple Making Is stands as one of the most thorough books yet offered regarding how to make disciples In thirty brief hard hitting but easily accessible chapters the entire scope of disciple making is presented in a way that will inspire and inform the reader to obey the Great Commission with great passion Grounded on a solid biblical foundation authors Dave Earley and Rod Dempsey both veterans of one on one collegiate small group and local church discipleship share their practical insights on how to best reproduce reproducers of Christ's message Each compelling entry is set up to finish the sentence that begins with the book's title For example Disciple Making Is Embracing the Cross Forsaking All to Follow Jesus Living on Mission Launching an Unstoppable Force Mentoring Disciples as Jesus Did Multiplying Disciple Makers as Paul Did Creating a Healthy Church and more **Spurgeon's Theology for Multiplying Disciples and Churches** Rod Earls, 2022-09-23 Spurgeon is known for his sermons but it is a wonderful study to learn from him the theology and practice which drove him and the Metropolitan Tabernacle to plant two hundred churches in and around London How did they accomplish this This book presents the story and principles of Spurgeon and his church which

God taught and guided them to implement and how pastors and churches today can apply them Each of us need a solid model to take heart from and follow Spurgeon and the Metropolitan Tabernacle meets that need There is great wisdom and practical encouragement to be received from their example for every Christian church leader and pastor to enjoy for Christ s work This work was written to help make this experience possible and probable under God s good blessings Read pray reflect grow and go for the Savior and souls

Making Disciples Through Home Assemblies ,Dwight,Patrice Gillespie,2022-05-03 Statistics on church growth reveal some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus

SERVANT,2014-04-14 David Servant has been ministering to Christian leaders in conferences around the world for over three decades From his experience of speaking to tens of thousands of pastors in over forty countries he has complied biblical teaching in this book that addresses

the most important issues that Christian leaders are facing today *Servant* covers topics such as church growth spiritual warfare divorce and remarriage biblical interpretation house churches women in ministry church government spiritual gifts evangelism and many more He often questions the prevailing opinion always considering what Scripture says His conclusions may sometimes surprise you *Servant's* foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments Translated into many languages *The Disciple Making Minister* is helping Christian leader around the world be more effective in fulfilling the Great Commission **Multiply** David Nelson, 2024-05-31 God has not only created us with the ability to multiply through having children he has also given us the power to multiply disciples who multiply disciples through the preaching of the gospel in the power of the Holy Spirit In Genesis and Acts we read how God enabled man to multiply biologically and spiritually We read how the number of disciples greatly increased and multiplied during the era of the early church In his book Dr David Nelson explains eight principles for building a ministry of multiplication These biblically based principles will empower you to see a solid ministry that will grow into a ministry that multiplies disciple makers Every Believer a Disciple! David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples *Growing Up* Robby Gallaty, 2013-11-11 If you are serious about being a disciple of Jesus Christ really truly serious a discipleship group can help you achieve that goal Jesus established this model for us by forming and leading the first discipleship group and it worked The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ Discipleship groups can create an atmosphere for fellowship encouragement and accountability building an environment where God can work In *Growing Up How to Be a Disciple Who Makes Disciples* Robby Gallaty presents a practical easy to implement system for growing in one's faith This guide offers a manual for making disciples addressing the what why where and how of discipleship D Groups as Gallaty calls them can teach you and others how to grow your relationship with God how to defend your faith and how to guide others in their relationships with God *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ

Making Disciples in the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the

Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I'm looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey's new book Making Disciples in the Twenty First Century Church When I'm asked what makes a cell church thrive I always say

Guy Caskey, 2020-07-17 Making Him L O R D is a book about allowing God to control your life in such a way that there are incredible results You know brothers and sisters that our visit was not without results 1 Thessalonians 2:1 The Bible refers to results as Christ expressing His Life in and through you Some may refer to this as fruit work multiplication or movement All of those are appropriate ways to describe how God wants to cover the earth with His Glory From the very beginning we want to be honest with the admission that this cannot be done on our own but can only be done by Christ's power A life surrendered to God is a vessel used by God to accomplish His Vision L O R D is an acrostic that stands for Living Out Reproducible Discipleship If you want your life to echo throughout the halls of eternity this is a book for you Our Master and King has set forth the plan and purpose are His chosen instruments This book is about a captivating vision held by many Kingdom-minded citizens who desire that none shall perish This is the Father's heart

God Dwells Among Us Chris Green, 2015-01-16 The writers and chief actors of the Old Testament expressed a deep longing for the presence of God This longing is symbolized through history in the Garden of Eden the ark of the covenant and the tabernacle that housed it the temple and the ruins of the temple In response to this longing God shares his ultimate mission in which his people play a part the expansion of Eden the temple of God's presence to all peoples throughout the earth The temple has always been a source of rich scholarship and theological reflection but what does it mean for the church's ongoing mission in the world Beale and Kim build a bridge from the world of biblical theology to our

modern day life They help us to see clearly that the themes of Eden the temple God s glorious presence new creation and the mission of the church are ultimately facets of the same reality Hence from Eden to the New Jerusalem God s people are his temple on the earth the first fruits of the new creation God has always desired to dwell among us now the church needs to follow its calling to extend the borders of God s kingdom and take his presence to the ends of the earth

ReClaimed Church Bill Henard,2018-06-01 It s no secret churches are dying Tragically thousands of churches in the United States are shrinking some closing their doors forever The key to reversing these trends argues Bill Henard is for a local church to recognize where it is in the church life cycle Unless churches intentionally do something about it many of them will follow the same pattern from birth to plateau and eventually to death But if a church learns to identify its place within the life cycle and embraces the necessary processes it can return to growth In a day when church membership has decreased evangelistic zeal has cooled and budgets are disappearing ReClaimed Church is the tool that struggling churches need Having previously written and taught seminary courses on church revitalization Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church
