Policing Legitimacy Justin R. Ellis, 2021-07-31 This book critically analyses the impact of digital media technologies on police scandal Using an in depth analysis of a viral bystander video of police excessive force filmed at the 2013 Sydney Gay and Lesbian Mardi Gras Parade and uploaded to YouTube the book addresses the ways social media video surveillance can shape operational and institutional police responses to police misconduct The volume features new research on the immediate and longer term impacts of social media generated police scandal on police legitimacy and accountability and responds to inherent questions of procedural justice It interrogates the technological political and legal frameworks that govern the relationships between the police and LGBTQI communities in Australia and beyond through the social media test the police narratives created and contested through social media mainstream media and police media In doing so it considers the role of sexual citizenship discourse as a political economic and social organizing principle A comprehensive and interdisciplinary understanding of digital and queer criminology this is an essential read for those working at the intersection of criminology and the digital society queer criminology and critical criminology

The Poisoning of the American Mind Lawrence M. Eppard, Jacob L. Mackey, Lee Jussim, 2024-09-25 What would you have to believe in order to dress up as a shaman paint your face and storm the U S Capitol What could possibly lead somebody to claim that it upholds white supremacy to encourage hard work self reliance rational thinking punctuality and politeness Such behaviors would have been unimaginable only a few years ago And yet here we are witnessing millions of people across the political spectrum displaying these clear indications of an epistemically poisoned mind Both red America and blue America are retreating into their own information bubbles seceding from a common reality Both consume far too much misinformation and disinformation developing worldviews that can sometimes be unintelligible to others This book explores these disturbing developments and what they mean for our society and implores us all to recover a shared sense of what is true

Ireland Says Yes Gráinne Healy, Brian Sheehan, Noel Whelan, 2015-11-02 At 7 20pm on 23rd May 2015 in the courtyard of Dublin

Castle Ireland truly became a nation of equals Ireland Says Yes is the fast paced narrative account of all the drama excitement and highs and lows of the last 100 days of the extraordinary campaign for a Yes vote in the 2015 Marriage Equality Referendum Those who led the Yes Equality campaign tell the inside story of how the referendum was won and how Ireland s two principal gay and lesbian rights organisations put together the most effective and successful civic society campaign ever launched in Irish politics As well as a drama packed chronological account of how the Yes campaign was executed the book explores how social media mobilised a new generation of voters to the polls and how political parties student unions and youth groups co ordinated their efforts to deliver one of the most historic referendum results in Irish political history The Festival Cities of Edinburgh and Adelaide Sarah Thomasson,2022-08-20 The Festival Cities of Edinburgh and Adelaide examines how these cities world famous arts events have shaped and been shaped by their long term interaction with their urban environments While the Edinburgh International Festival and Adelaide Festival are long established prestigious events that champion artistic excellence they are also accompanied by the two largest open access fringe festivals in the world It is this simultaneous staging of multiple events within Edinburgh s Summer Festivals and Adelaide s Mad March that generates the visibility and festive atmosphere popularly associated with both places Drawing on perspectives from theatre studies and cultural geography this book interrogates how the Festival City as a place myth has developed in the very different local contexts of Edinburgh and Adelaide and how it is challenged by groups competing for the right to use and define public space Each chapter examines a recent performative event in which festival debates and controversies spilled out beyond the festival space to activate the public sphere by intersecting with broader concerns and audiences This book forges an interdisciplinary comparative framework for festival studies to interrogate how festivals are embedded in the social and political fabric of cities and to assess the cultural impact of the festivalisation phenomenon
