Festival and Event Tourism Impacts Dogan Gursoy, Robin Nunkoo, Medet Yolal, 2020-09-17 Festival and Event Tourism Impacts provides a comprehensive review and analysis of the multi faceted impacts that festival and events have on a host community whether positive or negative and offers recommendations for communities for the successful management of this kind of tourism Opening chapters define festival and event tourism impact concepts utilized in the field and their evolution throughout the years followed by an exploration of the current issues facing communities The second part discusses sustainability and environmental issues that affect destinations and communities as a result of festival and event impacts Subsequent chapters outline further impacts and finally address cutting edge event tourism development and impact management strategies and considerations such as innovative management approaches sustainability and social responsibility for example and identify future trends and issues within a multidisciplinary global perspective A variety of geographical locations are exemplified throughout as well as a range of diverse event types including the Formula One Grand Prix in Monaco Pope Francis visit to Mauritius in 2019 and the 29th Summer Universiade in Taiwan among many others Drawing on the knowledge and expertise of highly regarded academics from around the world this will be of great interest to all upper level students and researchers in Tourism Hospitality Events and related fields **The Craft & Art Show**

Calendar #29 , The Oxford Handbook of Music Revival Caroline Bithell, Juniper Hill, 2014-06-26 Revival movements aim to revitalize traditions perceived as threatened or moribund by adapting them to new temporal spatial and social contexts While many of these movements have been well documented in Western Europe and North America those occurring and recurring elsewhere in the world have received little or no attention Particularly under analyzed are the aftermaths of revivals the new infrastructures musical styles performance practices subcultural communities and value systems that grow out of these movements The Oxford Handbook of Music Revival fills this gap and helps us achieve a deeper understanding of how and why musical pasts are reimagined and transfigured in modern day postindustrial postcolonial and postwar contexts The book s thirty chapters present innovative theoretical perspectives illustrated through new ethnographic case studies on diverse music and dance cultures around the world Together these essays reveal the potency of acts of revival resurgence restoration and renewal in shaping musical landscapes and transforming social experience The book makes a powerful argument for the untapped potential of revival as a productive analytical tool in contemporary global contexts With its detailed treatment of authenticity recontextualization transmission institutionalization globalization the significance of history and other key concerns the collection engages with critical issues far beyond the field of revival studies and is crucial for understanding contemporary manifestations of folk traditional and heritage music in today s postmodern cosmopolitan societies , *Music Trades* , 1919 **Cozy Case Files, Volume 20** Ellie Alexander, Rhys Bowen, Clare Broyles, Olivia Blacke, Jennifer J. Coconut Drop Dead Olivia Matthews,2023-12-26 The case in Olivia Matthews s Coconut Drop Dead is going to be a tough nut to crack Brooklyn s annual Caribbean American Heritage Festival is finally here and Spice Isle Bakery is thrilled to be one of the event s food vendors After all the Murrays have been attending the festival for years Co owner Lyndsay Murray hopes their West Indian pastries and finger foods draw people back to the bakery in Little Caribbean She s looking forward to having fun connecting with customers and celebrating with her family The day s festivities are cut short when Camille lead singer of an up and coming reggae band dies The police think it may be a tragic accident But Lyndsay s cousin Manny was close to Camille and he believes someone cut her life short Now Manny needs Lyndsay s help to make sure a killer faces the music

Out in Central Pennsylvania William Burton,2020-06-22 Outside of major metropolitan areas the fight for lesbian gay bisexual and transgender rights has had its own unique and rich history one that is quite different from the national narrative set in New York and California Out in Central Pennsylvania highlights one facet of this lesser known but equally important story immersing readers in the LGBTQ community building and social networking that has taken place in the small cities and towns in the heart of Pennsylvania from the 1960s to the present day Drawing from oral histories and the archives of the LGBT Center of Central PA History Project this book recounts the innovative ways that LGBTQ central Pennsylvanians organized to demand civil rights and to improve their quality of life in a region that often rejected them Full of compelling stories of individuals seeking community and grappling with inequity harassment and discrimination and featuring a distinctive trove of historical photographs Out in Central Pennsylvania is a local story with national implications It brings rural and small town queer life out into the open and explores how LGBTQ identity and social advocacy networks can form outside of a large urban environment

Fatal Brouhaha Emmeline Duncan,2025-04-29 Twentysomething master barista and owner of Portland Oregon s popular Ground Rules coffee cart Sage Caplin is ready to celebrate her growing business at a weekend long maker s festival complete with live music a cornhole tournament 4th of July fireworks and murder In addition to her beloved coffees Sage is thrilled to be expanding her offerings in collaboration with the local whiskey company that is

throwing the festival And how better to launch their new product than with fellow entrepreneurs But among the crowd of artists and creators Sage is surprised to spot Left Coast Grinds owner Mark Jeffries who has it out for Ground Rules The distillery didn't invite Mark and they apologize But nothing can make up for the glare Mark aims at Sage and her co-owner Harley And that's just a taste of what's to come Soon Mark incites a loud argument with Harley and is ousted from the property But later that night Sage finds Mark's body by the Ground Rules Subaru She knows that when investigators learn that Harley and Mark had a history of butting heads Harley will be a prime suspect and she's right But Mark rubbed many people the wrong way and several are at the festival Now Sage will have to filter through secrets grudges and blackmail to get to the bitter truth and as her sleuthing heats up the closing fireworks won't just be the ones in the sky

Music Festival Disasters Gideon Fairchild, AI, 2025-02-24 *Music Festival Disasters* explores the dark side of live music events dissecting how promising festivals can turn into financial and operational nightmares The book reveals that many festival failures aren't isolated incidents but rather predictable outcomes of systemic flaws like financial mismanagement and ethical oversights For instance deceptive marketing promising luxurious experiences often masks severe underfunding and logistical incompetence The book examines real world case studies detailing how operational failures directly impact attendees and organizers It analyzes how the rapid commercialization of music festivals often outpaces regulation creating an environment ripe for financial scams By blending investigative journalism with academic rigor *Music Festival Disasters* provides a framework for responsible event management Beginning with key concepts in risk management the book progresses through case studies of events marred by fraud and security breaches Ultimately it offers practical advice for event organizers investors and attendees advocating for transparency within the industry This resource equips readers to assess risks make informed decisions and advocate for positive change

Music Festival Chaos Hannah Martin, 2025-03-02 Have you ever wondered how a meticulously planned music festival can devolve into utter chaos *Music Festival Chaos* delves into the multifaceted disasters financial collapses and significant controversies that have plagued the music festival industry exposing the vulnerabilities and high stakes risks inherent in these large scale events This book dissects the anatomy of festival failures examining not only the immediate causes of these debacles but also the underlying business decisions and cultural factors that contribute to their occurrence The core of this book revolves around three key topics mismanagement

leading to operational failures financial miscalculations resulting in economic ruin and the ethical lapses that spark public outrage Each topic is explored through detailed case studies of festivals like Fyre Festival Woodstock 99 and others providing readers with a behind the scenes look at the critical decisions and oversights that ultimately led to their downfall Understanding these failures is essential because they offer invaluable lessons for industry professionals event organizers and anyone interested in the complex interplay of business culture and risk management The book also explores the historical context of music festivals tracing their evolution from counter cultural gatherings to multi million dollar commercial enterprises This historical perspective is crucial for understanding how the increasing commercialization of festivals has amplified the potential for both success and catastrophic failure Furthermore it provides a sociological lens through which to examine the audience expectations and cultural significance of these events The central argument of Music Festival Chaos posits that a confluence of factors poor planning inadequate risk assessment financial hubris and a disconnect from the needs and expectations of attendees inevitably leads to festival disasters This argument is vital because ignoring these interconnected elements can have severe legal financial and reputational implications The book is structured into three parts each focusing on one of the key areas of failure Part one introduces the main concepts of music festival management and event planning outlining the basic principles of successful organization Parts two and three delve into detailed analyses of specific festival failures categorizing them by type of disaster e g logistical financial ethical and providing in depth investigations into the root causes The book culminates with a summary of best practices and actionable strategies for avoiding similar pitfalls in the future including detailed guidelines for risk management financial planning and crisis communication The evidence presented in this book is drawn from a variety of sources including court documents financial reports internal memos interviews with festival organizers and attendees and media coverage of festival disasters This multi faceted approach ensures a comprehensive and objective analysis of each case study Music Festival Chaos connects to several fields beyond music and business including sociology examining crowd behavior and cultural trends law analyzing liability and contract disputes and public relations exploring crisis management and reputation repair These interdisciplinary connections enrich the book s scope providing a more holistic understanding of the complex dynamics at play This book offers a unique perspective by framing festival failures not as isolated incidents but as systemic problems rooted in flawed decision making processes and unsustainable business models It moves beyond surface level reporting to explore the underlying causes of these disasters and highlights the lessons that can be learned The book adopts a fact based analytical tone presenting information in a clear and accessible manner The writing style is designed to engage the reader and provide practical insights that can be applied to real world scenarios The target audience includes music industry professionals event planners business students and anyone interested in the complexities of large scale event management It is valuable for those seeking to understand the risks and rewards of the music festival industry and to learn from the mistakes of others In

line with the expectations of non fiction business and music genres the book emphasizes factual accuracy objectivity and practical application of knowledge It avoids sensationalism and instead focuses on providing a balanced and insightful analysis of the topic The scope of the book is limited to major music festivals that have experienced significant disasters or controversies in the last three decades It does not cover smaller local events or festivals in other entertainment sectors Ultimately Music Festival Chaos offers practical guidance for avoiding disaster and creating sustainable successful music festivals offering a roadmap for navigating the complex and often treacherous landscape of the music festival industry The book addresses controversies surrounding issues such as artist compensation attendee safety and environmental impact
