Musings Mark Devotional Through Gospel:

Musings Through Mark Sarah Woodall,2015-12-03 Musings through Mark is a unique creative storytelling experience combining prose poetry and striking images Sarah Woodall walks us through Mark's Gospel showing at each step how Jesus identity as the Son of God unfolds The words are powerful and they show us who Jesus wants to be for us in every sphere of our life The book follows a daily devotional format and after each thought provoking commentary there is a pause for reflection followed by a prayer Readers will find that they are drawn more deeply into God's presence each day

Mark-Devotional Readings from the Gospel of Mark , *Musings of a Christian Physician on the Physical and Spiritual Healing of Man* Joseph DeMay MD FAAP,2020-05-27 I had always believed in the healing power of our Lord and viewed my life as one of service to Him via the practice of medicine But in retrospect I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross My thinking was flawed but as I grew in my walk with the Lord and meditated on Scripture more fully I began to see the superiority of faith over the limited interventions modern medical science had to offer and that this interplay between faith and science was not mutually exclusive but complimentary for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses I began jotting notes to myself related to this interplay of faith and healing and science and just filed them away for years I Then in December of 2017 a baby was born to a first time mother of mine his little body riddled with the most fulminant form of acute lymphoblastic leukemia almost always fatal His absolutely miraculous healing was the impetus to start putting these thoughts into writing in the form of weekday morning emails entitled A Christian Doctor's View of Healing Faith and Science It was soon made clear to me that these writings were to take the form of a year long devotional book comprised of short weekday messages that are intimately linked such that they can be read through as a book And that book was to paint a picture and that picture was to be of a face and the face was to be that of Jesus for He is the source of all healing

Marking Time with Mark Janet Fisher Aronson,2019-04-22 Marking Time with Mark is a journey with Jesus through his three year ministry As the disciples slowly grow in their faith we can see how God works in them and in us to take us from where we are to where he wants us to be Taking time to delve into the emotions that they experienced as they traveled through their three years together we will become more aware of our own connection to their story and our own ups and downs in our faith walk Each chapter encourages us to read respond and

The Seminal Gospel George Kimmich Beach,2013-05-17 All that we know of Jesus and his original message is derived from a few ancient texts among which the Gospel According to Mark is particularly fascinating and often perplexing Mark the shortest of the four Gospels of the New Testament came first and planted the seeds of thought from which the Christian tradition has grown We gain insight into the Gospel as we begin to let go of assumptions rooted in long familiarity The Seminal Gospel is an exploration of Mark and an extended personal reflection on what his telling of the story of Jesus can mean to us today It reproduces the King James Version of Mark s text in forty chapters providing commentary that is explanatory and insightful It draws broadly on the author s literary historical and theological interests *Meis.
