Telling God's Story Year One Activity Book Sara Buffington, Sarah Park, Jeff West, 2011-01-25 A new religion curriculum from the team that brought you *The Story of the World* These lesson plans designed to accompany the weekly lessons laid out in *Telling God's Story Year One* available separately provide coloring pages craft projects and group activities to fill out an entire week of home school or private school study a core set of activities is also provided for the use of Sunday school teachers Coloring pages accompany each lesson and accurately reflect the historical setting of the original stories while a full range of crafts and activities help young students understand and remember *Telling God's Story, Year One: Meeting Jesus* Peter Enns, 2011-02-22 A new religion curriculum from the team that brought you *The Story of the World* These lesson plans designed to accompany the weekly lessons laid out in *Telling God's Story Year One* available separately provide coloring pages craft projects and group activities to fill out an entire week of home school or private school study a core set of activities is also provided for the use of Sunday school teachers Coloring pages accompany each lesson and accurately reflect the historical setting of the original stories while a full range of crafts and activities help young students understand and remember **Jesus, Teach Me how to Pray** Lynne Modranski, 2011 **The Craft of Thought** Mary Jean Carruthers, 2000-10-26 *The Craft of Thought* first published in 1998 is a companion to Mary Carruthers earlier study of memory in medieval culture *The Book of Memory* This more recent volume examines medieval monastic meditation as a discipline for making thoughts and discusses its influence on literature art and architecture In a process akin to today's creative thinking or cognition this discipline recognises the essential roles of imagination and emotion in meditation Deriving examples from a variety of late antique and medieval sources with excursions into modern architectural memorials this study emphasises meditation as an act of literary composition or invention the techniques of which notably involved both words and making mental pictures for thinking and composing **Mustard Seeds** Dariush Afshar, The book presents a complex narrative blending science fiction ancient mythology and spiritual conflict on a cosmic scale The story begins with a scientist named Siamak working at the Grand Radio Eye which typically receives only static and celestial noise One day a sharp jagged interference pierces the quiet followed by rhythmic blips that grow louder and faster Alarms sound indicating an Anomaly detected The frequencies weave into deliberate patterns suggesting intelligence either alien or human Siamak and his team furiously work to decode the transmission What emerges is Sumerian script intertwined with mathematical sequences This ancient language believed extinct whispers through the radio waves revealing a message from someone who knew Earth's forgotten history Driven by the discovery Siamak leaves the lab feeling dread and distrust having hidden copies of the data While driving on Route 33 he is involved in a violent car crash Surviving the initial impact he staggers out of his crumpled car into the unnaturally still night His cell phone fails to connect leaving him isolated As he explores the darkness a low growl echoes from the earth He freezes feeling the primal fear of being hunted A massive shifting form emerges from a

hillside a creature unlike anything he has seen defying reality Described as wolf like but ethereal composed of smoke and shadow with glowing eyes fixed on him The creature attacks crumpling his car like paper Siamak is thrown to the ground and left broken and lifeless The rhythmic blips of the signal continue synchronized with the wolf s movements hinting at a connection The creature dissolves into the night leaving no trace This wolf demon is later identified as Sarasabagon a name from forgotten Persian myths embodying ancient magic manipulated by dark forces Its origins are tied to Ziggurat ruins Siamak s colleagues including Givmartha and Hushang continue investigating the signal at the VLA Very Large Array for six grueling months They find the signal undeniably deliberate but defying comprehension Through analysis they confirm the message is encoded in a rudimentary form of Sumerian spoken widely around 5 700 years ago and believed obsolete by 2000 BCE Hushang undertakes the intricate task of translating fragments into English Givmartha is frustrated that

From a Mustard Seed Bruce G. Epperly,Daryl Hollinger,2010-07-21 Small congregations can have beautiful worship In From a Mustard Seed Enlivening Worship and Music in the Small Church an experienced pastor professor and an experienced church musician provide a model for faithful and excellent worship in congregations that average 75 or fewer people in weekly worship While the limitations of small congregations are obvious to their members and leaders the possibilities for creative music and worship are often greater than we can imagine Epperly and Hollinger integrate theology spiritual formation and practical guidance for nurturing diverse inspirational and transforming worship in small congregations Grounded in a solid theology of worship they provide tried and true approaches to congregational music and singing worship planning liturgies that transform and healthy partnerships between pastors and church musicians God is present in small congregations and the authors help pastors church musicians and active laypersons awaken to God s activity in every aspect of worship and music They illuminate possibilities for opening to God in worship and music through their own stories the stories of congregations and their pastors practical counsel spiritual practices and theological reflection
