women live this type of life every day While trying to be all things to all people we stop being what we need to be for ourselves We become consumed by the tragedies bad news and misfortunes in the lives of other people all while watching our own lives spin out of control Life as we know it is full of pleasure and pain However most days we find ourselves walking through a valley trying to just make it through another day A valley can represent a desperate hopeless place in your life Growing up I didn't have a healthy relationship with either of my parents They were both addicted to drugs and alcohol I had a very traumatic upbringing In my mid thirties I found myself on the couch of a therapist Three days a week for almost a year I laid on that couch trying to make it through my own valley experiences With all the things that I saw and experienced as a child and in my adult life it's only by the Grace of God that I didn't lose my mind I've always wanted to share my story with others but wasn't sure how to start So I prayed and from my pain came the words on these pages I've learned to walk through my valley experiences and not be ashamed of them I know that I am not alone God is with me and He is there for you to My prayer is that this thirty day devotional will help someone else in knowing that on the Other Side of Through there is HOPE there is Healing and there is Life So grab your Bible and your Journal and let's go to the OTHER SIDE OF THROUGH
